Court Orders and Updates During COVID-19 Pandemic

Federal courts are individually coordinating with state and local health officials to obtain local information about the coronavirus (COVID-19), and some have issued orders relating to court business, operating status, and public and employee safety. Below is a list of links to all federal court websites, as well as links to court orders and other information posted to the courts' websites regarding the COVID-19 pandemic and court business.

The information below will be updated periodically. We cannot ensure the latest information is posted below. We strongly suggest you visit a court's website to confirm you have the latest information. If you have questions about a court order posted here, contact the court or your regional administrator.
