FORT BLISS NOV. 10 COVID-19 UPDATE

November 10 updates are **BOLD** with an *

ACCESS CONTROL POINTS

- The Trusted Traveler Program is revoked; all occupants of the vehicle over the age of 16 must have a valid DoD ID card, Federal PIV, or installation pass to access the installation.
- All vehicles and occupants entering Fort Bliss are subject to random searches/inspections, and a National Crime Information Center Interstate Identification Index (NCIC-III) background check. Those with derogatory information related to the Army Fitness Adjudication Standards will be denied access to the installation.
- Visitors are allowed on post, but must be sponsored by a DoD ID cardholder. DoD ID cardholders may sponsor visitors in person at the Buffalo Soldier Gate Visitor Control Center, which is open 24/7, or the Chaffee Gate Visitor Control Center, which is open Monday-Friday 5 a.m.-9 p.m.
- DoD ID cardholders can also sponsor visitors by submitting a Fort Bliss Installation Access Pass Application to: usarmy.bliss.imcom-central.mbx.fort-bliss-installation-access@mail.mil from a .mil email address. Installation Access Pass Applications submitted from a personal (non .mil) address will be rejected. The application can be downloaded from the following link: <https://home.army.mil/bliss/index.php/my-fort/all->

- The application must be submitted no later than 72 hours prior to visitor arrival and no earlier than 14 days prior to visitor arrival.
- As long as the form is submitted 72 hours in advance, the DoD ID cardholder will not have to be present at the VCC with the visitor.
- Pass extensions are not authorized. If a visitor fails to obtain the pass by the requested end date, a new application will need to be submitted.
- DoD contractors are not authorized to sponsor personnel.
- Veterans and primary family caregivers who are eligible for expanded access to Commissary, Exchange and DFMWR facilities and have a Veterans Health Identification Card (VHIC) must first visit the Fort Bliss Visitor Control Center for a background check and VHIC registration.
 - The Visitor Control Center is located at Chaffee Gate, and open 24 hours.
 - After a favorable vetting, the VHIC will be registered for continuous vetting through Fort Bliss Access Control Points.
 - The VHIC will then serve as a valid form of ID to access to the installation and remain valid for a year.
 - VHIC's may be renewed in the AIE system annually at the Visitor Control Center.
- Contractors not authorized to receive a DoD CAC must obtain a Fort Bliss AIE access pass or Fort Bliss AIE access badge. Contractors having a need to obtain access longer than 24 hours will have a contracting officer who will provide the contractual agreement with a cover memorandum signed by a verifying officer vouching for the need to possess a Fort Bliss AIE access badge. The expiration date of the badge will be the end date of the contract or visit, not to exceed 1 year from the date of issue.
- All taxi drivers and ride-sharing drivers (such as Uber, Lyft, and so forth), food delivery drivers must present a driver's license and show proof of insurance, and all vehicles must be properly registered. Visitors, including taxi, ride-sharing vehicle drivers, and food delivery drivers must undergo identity proofing and vetting against NCIC-III to obtain a pass. Although drivers for ride-sharing services, taxis, or food delivery would then have a valid credential

after proper vetting, their purpose would still need established for each visit, which can be accomplished by showing the ride sharing hail on a smartphone, identifying the person and building for the pickup, or the delivery invoice.

BBC

- Offices are now open to our residents and incoming families – we do require masks to be worn, sanitize hands when they enter, socially distance, and number of visitors is limited.
- We are extending existing service member leases; if you've given us your notice to vacate and your orders have changed, do not worry. Our leasing specialists are working with families to extend those leases on a MTM basis and we're communicating with families so that we will be prepared to assist once the travel ban is lifted.
- We have resumed to complete routine work orders. We have been working diligently on our backlog of work orders, and we're working on contacting our residents with outstanding work orders to schedule. Please be on the lookout for a phone number from a 215 or 267 area code- that's us trying to reach you to schedule your work orders.
- Change of occupancy work and preventive maintenance activities continue in vacant units and we are looking at executing some exterior capital projects where possible.
- All Playgrounds are open at this time.

COMMISSARY

- All patrons age 3 years and older must be wearing a mask or they will be denied entry.
- Only personnel working at the commissary will have temperature checks prior to entering the Fort Bliss Commissary. Anyone with temperatures of 100.4 degrees Fahrenheit or higher will not be allowed to work that day.
- Customer occupancy restricted to 150 shoppers.
- ***No visitors; only DoD ID cardholders allowed inside. If a patron requires assistance due to the medical, or other reasons, please call (915) 568-9897/3121 /9938/1300.**
