Good day BOPC Trainees,

The Board is in the process of acquiring Personal Protective Equipment (PPE) for the trainees which hopefully will include gloves, hand sanitizer, and face masks.

At this time we have obtained the gloves and have placed a box in each trainees mailbox in Pier 9. When we are able to obtain more equipment, we will make it available.

In the meantime, please follow all COVID-19 safety precautions including social distancing where possible, use of masks, washing and sanitizing your hands frequently, and using glove where appropriate.

Please feel free to reach out to me if you have any questions.

Thank you.

Respectfully,

Allen G.
