IC 16-19-3-25 Inspection report; guidelines for release to public

Sec. 25. (a) This section applies to inspections performed by the state department.

(b) Except as provided in this section, until the recipient of an inspection report has had ten (10) calendar days to respond to the inspection report the state department may not release to the public:

- (1) the inspection report; or
- (2) records relating to the inspection.

(c) The state department shall release to the public an inspection report and records relating to the inspection earlier than the time stated in subsection (b) if the state department determines that the release is necessary to:

- (1) protect the public from an imminent threat to health or safety;
 - (2) protect the consumers of health services from an imminent threat to health or safety;
- or
- (3) protect the public from a gross deception or fraud.

(d) The state department shall release to the public an inspection report and records relating to the inspection earlier than the time period in subsection (b):

- (1) if the state department orders closure of a regulated entity; or
- (2) after receipt of the regulated entity's written consent to the release of the inspection report and records relating to the inspection.

(e) With respect to a recipient of an inspection performed by the state department, the

period of time described in subsection (b) begins as follows:

(1) If the inspection report is personally delivered to the recipient, on the date of delivery.

(2) If the inspection report is deposited in the United States mail, three (3) days after the date of deposit in the United States mail.

(f) After an inspection report is released under this section, the inspection report and records relating to the inspection may be inspected and copied as set forth in IC 5-14-3.

IC 16-19-3-26 Anatomical gift promotion fund; Indiana Donation Alliance Foundation and Donate Life Indiana report

Sec. 26. (a) The anatomical gift promotion fund is established. The fund consists of amounts distributed to the fund by the auditor of state under IC 9-18.1-3-9.

(b) The treasurer of state shall invest the money in the fund not currently needed to meet the obligations of the fund in the same manner as other public funds are invested. Interest that accrues from these investments shall be deposited in the fund.

(c) The state department shall administer the fund. Any expenses incurred in administering the fund shall be paid from the fund.

(d) The money in the fund shall be distributed quarterly to the Indiana Donation Alliance Foundation and Donate Life Indiana for the purpose of implementing an organ, tissue, and marrow registry and to promote organ, tissue, and marrow donation. However, money in the fund may not be distributed under this subsection for any quarter of a year until the annual report for the previous year has been submitted under subsection (f).

(e) The Indiana Donation Alliance Foundation and Donate Life Indiana shall keep information regarding the identity of an individual who has indicated a desire to make an organ or tissue donation confidential.

(f) The Indiana Donation Alliance Foundation and Donate Life Indiana shall submit an annual audited report, including a list of all expenditures, to the:

(1) speaker of the house of representatives;

(2) president pro tempore of the senate;

(3) senate health and provider services committee; and

(4) house public health committee;

before February 1. The report must be in an electronic format under IC 5-14-6.

(g) Money in the fund at the end of a state fiscal year does not revert to the state general fund.

(h) This subsection applies if the Indiana Donation Alliance Foundation or Donate Life Indiana loses its status as an organization exempt from federal income taxation under Section 501(c)(3) of the Internal Revenue Code. The Indiana Donation Alliance Foundation and Donate Life Indiana shall report in an electronic format under IC 5-14-6 to the chairpersons of the senate standing committee, as determined by the president pro tempore of the senate, and the house standing committee, as determined by the speaker of the house of representatives, that have subject matter jurisdiction over health issues. The chairpersons shall review the report and recommend to the state department whether to continue distributions under subsection (d).

IC 16-19-3-27 Department study of septic system technologies; development of plans and specifications; rules

Sec. 27. (a) The state department of health shall:

(1) study the use of:

(A) effluent filters;

- (B) recirculation media filters;
- (C) aeration treatment units;
- (D) drip irrigation;
- (E) graveless trenches; and
- (F) new technologies;

for residential septic systems that will cause systems to perform satisfactorily as alternatives to currently operating systems that do not perform satisfactorily because of soil characteristics, lot sizes, topographical conditions, or high water tables; and

(2) take all actions necessary to develop plans and specifications for use of the technologies listed in subdivision (1) in residential septic systems.

- (b) The executive board shall adopt reasonable rules under IC 4-22-2 to:
 - (1) promulgate the plans and specifications developed under subsection (a); and
 - (2) allow for the issuance of operating permits for:
 - (A) residential septic systems that are installed in compliance with the plans and specifications promulgated under subdivision (1); and
 - (B) onsite residential sewage discharging disposal systems in a county having a population of more than three hundred thousand (300,000) but less than four hundred thousand (400,000) that comply with IC 13-18-12-9.

IC 16-19-3-27.5 Technical review panel; duties; applications for approval of TNI; when TNI may be approved by local health department or shall be approved by state department of health

Sec. 27.5. (a) As used in this section, "technology new to Indiana" (referred to in this section as "TNI") means sewage treatment or disposal methods, processes, or equipment that are not described in the administrative rules of the state department or the executive board concerning residential onsite sewage systems (410 IAC 6-8.3) or commercial onsite sewage systems (410 IAC 6-10.1).

(b) The state department shall establish and maintain a technical review panel consisting of individuals with technical or scientific knowledge relating to onsite sewage systems. The technical review panel shall:

- (1) decide under subsection (f) whether to approve:
 - (A) proprietary residential wastewater treatment devices; and
 - (B) proprietary commercial wastewater treatment devices;
 for general use in Indiana;
- (2) biannually review the performance of residential septic systems and commercial onsite sewage systems;
- (3) assist the state department in developing standards and guidelines for proprietary residential wastewater treatment devices and proprietary commercial wastewater treatment devices; and
- (4) assist the executive board and the state department in updating rules adopted under sections 4 and 5 of this chapter concerning residential septic systems and commercial onsite sewage systems.

- (c) The technical review panel shall include the following:
 - (1) A member of the staff of the state department, who shall serve as the chair.
 - (2) A local health department environmental health specialist appointed by the governor.
 - (3) An Indiana professional engineer registered under IC 25-31-1 representing the American Council of Engineering Companies.
 - (4) A representative of the Indiana Builders Association.
 - (5) An Indiana registered professional soil scientist (as defined in IC 25-31.5-1-6) representing the Indiana Registry of Soil Scientists.
 - (6) A representative of an Indiana college or university with a specialty in engineering,

soil science, environmental health, or biology appointed by the governor.

(7) A representative of the Indiana Onsite Wastewater Professionals Association.

(8) An Indiana onsite sewage system contractor appointed by the governor.

(9) A representative of the Indiana State Building and Construction Trades Council.

All members of the technical review panel are voting members.

(d) In the case of a tie vote of the technical review panel, the technical review panel shall, not more than seven (7) days after the day of the tie vote:

(1) contact the applicant by phone call and by mail; and

(2) request more information or provide an explanation of how the applicant can modify the application to make it more complete.

The technical review panel shall review any new information provided by the applicant and vote again on the application not more than thirty (30) days after receiving the information.

(e) The technical review panel shall do the following:

(1) Receive applications for the approval of TNI for general use in:

(A) residential septic systems under sections 4 and 5 of this chapter, section 27 of this chapter, and IC 16-41-25; and

(B) commercial onsite sewage systems under sections 4 and 5 of this chapter, section 27 of this chapter, and IC 16-19-3.5.

(2) Meet at least four (4) times per year to review applications described in subdivision (1).

(3) Notify each person who submits an application described in subdivision (1):

(A) that the person's application has been received by the technical review panel; and

(B) of whether the application is complete;

not later than thirty (30) days after the technical review panel receives the application.

(4) Inform each person who submits an application described in subdivision (1) of:

(A) a tentative decision of the technical review panel; or

(B) the technical review panel's final decision under subsection (f);

concerning the application not more than ninety (90) days after the technical review panel notifies the person under subdivision (3) that the panel has received the person's application.

(f) In response to each application described in subsection (e)(1), the technical review panel shall make, and inform the applicant of, one (1) of the following final decisions:

(1) That the TNI to which the application relates is approved for general use in Indiana.

(2) That the TNI to which the application relates is approved for use in Indiana with certain conditions, which may include:

(A) a requirement that the TNI be used initially only in a pilot project;

(B) restrictions on the number or type of installations of the TNI;

(C) sampling and analysis requirements for TNI involving or comprising a secondary treatment system;

(D) requirements relating to training concerning the TNI;

(E) requirements concerning the operation and maintenance of the TNI; or

(F) other requirements.

(3) That the TNI to which the application relates is approved on a project-by-project basis.

(4) That the TNI is not approved for use in Indiana, which must be accompanied by a statement of the reason for the decision.

(g) If the technical review panel makes a decision under subsection (f)(4) that the TNI is not approved for use in Indiana, the applicant may:

(1) submit a new application to the technical review panel under this section; or

(2) file a petition for review of the technical review panel's decision under IC 4-21.5-3.

(h) If the technical review panel fails to notify a person who submits an application of the technical review panel's tentative decision or final recommendation within ninety (90) days after receiving the application as required by subsection (e)(4), the person who submitted the

application may use the TNI to which the application relates in a single residential septic system or commercial onsite sewage system, as if the TNI had been approved only for use in a pilot project.

(i) The technical review panel shall decide that the TNI to which an application relates is approved for general use in Indiana if:

- (1) the TNI has been certified as meeting the NSF/ANSI 40 Standard;
- (2) a proposed Indiana design and installation manual for the TNI is submitted with the permit application; and
- (3) the technical review panel certifies that the proposed Indiana design and installation manual meets the vertical and horizontal separation, sizing, and soil loading criteria of the state department.

(j) Subsection (k) applies if:

- (1) a particular TNI meets the requirements of NSF/ANSI 40, NSF/ANSI 245, or NSF/ANSI 350;
- (2) the proposed Indiana design and installation manual for the TNI meets the vertical and horizontal separation, sizing, and soil loading criteria of the state department; and
- (3) an Indiana professional engineer registered under IC 25-31-1 prepares site specific plans for the use of the TNI for a residential or commercial application.

(k) In a case described in subsection (j):

- (1) if the TNI is to be used in a residential application, the site specific plans prepared under subsection (j)(3), after being submitted to the local health department of the county, city, or multiple county unit in which the TNI would be installed, may be approved by the local health department within the period set forth in IC 16-41-25-1(a); and
- (2) if the TNI is to be used in a commercial application, the site specific plans prepared under subsection (j)(3) shall be approved by the state department upon submission of the site specific plans.

IC 16-19-3-30 Establishment of nonprofit subsidiary corporation

Sec. 30. (a) The state department may establish a nonprofit subsidiary corporation that is exempt from federal income taxation under Section 501(c)(3) of the Internal Revenue Code, to solicit and accept private funding, gifts, donations, bequests, devises, and contributions.

(b) A subsidiary corporation established under this section:

(1) shall use money received under subsection (a) to carry out in any manner the purposes and programs of the state department, which may include programs intended to reduce infant mortality, increase childhood immunizations, reduce obesity, and reduce smoking rates;

(2) shall report to the budget committee each year concerning:

(A) the use of money received under subsection (a); and

(B) the balances in any accounts or funds established by the subsidiary corporation; and

(3) may deposit money received under subsection (a) in an account or fund that is:

(A) administered by the subsidiary corporation; and

(B) not part of the state treasury.

(c) A subsidiary corporation established under this section is governed by a board of directors comprised of members appointed by the governor. Employees of the state department may serve on the board of directors.

(d) Employees of the state department shall provide administrative support for a subsidiary corporation established under this section. Employees of the state department directly involved in the subsidiary corporation established under this section may engage in fundraising activities on behalf of the subsidiary corporation.

IC 16-19-3.5-7 Applications for construction permits and design releases

Sec. 7. The state department shall accept an application for a construction permit that is submitted by an applicant by either of the following methods:

- (1) The applicant may submit an application to the department that is a combined application for:
 - (A) a construction permit under this chapter; and
 - (B) a design release under IC 22-15-3.
- (2) The applicant may submit separate applications for:
 - (A) a construction permit to the state department; and
 - (B) a design release under IC 22-15-3 to the department.

Not later than the next business day, the department shall provide a copy of the application submitted under subdivision (1) to the state department to initiate processing of the construction permit under this chapter.

As added by P.L.49-2016, SEC.1. Amended by P.L.187-2021, SEC.52.

IC 16-19-3.5-8 Notice upon receipt of application

Sec. 8. (a) Upon receiving a complete application for a construction permit, the state department shall notify the applicant not later than the next business day of all the following:

- (1) The assigned project number.
- (2) Instructions on submitting any required documentation.
- (3) The contact information for the person performing the plan review, including any person, entity, or local health department that is delegated a plan review as provided in section 12 of this chapter.

(b) Not later than thirty (30) business days after the date a complete application is received by the state department, the state department shall:

- (1) conduct a plan review; and
- (2) notify the applicant that:
 - (A) the plans and specifications have been approved; or
 - (B) a construction permit will not be issued until the applicant submits corrections to the plans or specifications.

If the plans and specifications are approved, the state department shall issue the construction permit to the applicant not later than the thirty-first business day after the application is

received.

As added by P.L.49-2016, SEC.1.

IC 16-19-3.5-9 Deadlines for state department to provide notice upon receiving application

Sec. 9. If the state department does not notify an applicant under section 8 of this chapter within thirty (30) business days after the application is received:

- (1) the application is approved as submitted; and
- (2) the state department shall, not later than the thirty-first business day after the date the application is received, provide the construction permit to the applicant.

As added by P.L.49-2016, SEC.1.

IC 16-19-3.5-10 State department deadlines upon receiving corrections

Sec. 10. (a) If the state department receives corrections to a plan in response to a notice sent under section 8(b)(2)(B) of this chapter, and any time the state department receives corrections to a notice under subdivision (2) thereafter, the state department shall do one (1) of the following:

(1) Not later than ten (10) business days, or fifteen (15) business days if agreed upon by the applicant and the state department, after receiving the corrections, send notice to the applicant that the corrected plans as submitted have been approved for a construction permit. The state department shall, not later than the next business day after the date that notice is sent to the applicant, provide the applicant with a construction permit.

(2) Not later than ten (10) business days, or fifteen (15) business days if agreed upon by the applicant and the state department, after receiving the corrections, send notice to the applicant that a construction permit will not be issued until the applicant submits additional corrections. However, if the applicant does not receive the notice within the period specified in this subdivision:

- (A) the application is approved as submitted; and
- (B) the state department shall, not later than the eleventh or sixteenth business day after the date that the corrections were received by the state department, whichever is applicable, provide the applicant with a construction permit.

(b) A review under this section is limited to:

- (1) the corrections required by the state department under the notice sent under section 8(b)(2)(B) of this chapter or subsection (a)(2); and
- (2) any revisions made to the plan that have not been reviewed, regardless of whether those revisions were requested under section 8(b)(2)(B) of this chapter or subsection (a)(2).

All other parts of a project not directly related to corrections or revisions described in subdivision (1) or (2), including previously completed corrections or revisions that the state department has already accepted, are considered approved for a construction permit and may not be included in subsequent notice requests sent under this section.

As added by P.L.49-2016, SEC.1.

IC 16-19-3.5-11 Denial due to noncompliance with building or fire safety rule prohibited

Sec. 11. The state department may not deny a construction permit based upon noncompliance or suspected noncompliance with a rule adopted under the authority of the fire prevention and building safety commission established by IC 22-12-2-1.

As added by P.L.49-2016, SEC.1.

IC 16-19-3.5-12 Delegation of state department plan review responsibilities

Sec. 12. (a) The state department may:

(1) contract with a person to perform the state department's plan review responsibilities under this chapter; or

(2) refer the plan review to a local health department.

(b) A person, entity, or local health department under subsection (a) that performs a plan review delegated by the state department under this chapter is subject to this chapter to the same extent as the state department. If the person, entity, or local health department fails to meet the required plan review and notification deadlines under this chapter, the state department shall approve the application as submitted and issue the applicant a construction permit.

IC 16-19-4-11 Standing order, prescription, or protocol; immunity

Sec. 11. (a) The state health commissioner or the commissioner's designated public health authority who is a licensed prescriber may, as part of the individual's official capacity, issue a standing order, prescription, or protocol that allows a pharmacist to administer or dispense any of the following:

(1) An immunization that is recommended by the federal Centers for Disease Control and Prevention Advisory Committee on Immunization Practices for individuals who are not less than eleven (11) years of age.

(2) A smoking cessation product. However, the pharmacist must inform the patient that the patient must have a follow-up consultation with the patient's licensed prescriber.

(b) This subsection does not apply to a pharmacist. The state health commissioner or the commissioner's designated public health authority who is a licensed prescriber may, as part of the individual's official capacity, issue a standing order, prescription, or protocol that allows an individual who is licensed, certified, or registered by a board (as defined in IC 25-1-9-1), and if within the individual's scope of practice, to administer or dispense an immunization that is recommended by the federal Centers for Disease Control and Prevention Advisory Committee on Immunization Practices for individuals who are not less than eleven (11) years of age.

(c) A standing order described in subsection (a) or (b) must include the following:

(1) The purpose of the order.

(2) The eligible recipients.

(3) The geographic area covered by the standing order.

(4) The procedure for administering or dispensing the immunization or product.

(5) A timeline for renewing or updating the standing order.

(d) The state health commissioner or designated public health authority who issues a standing order, prescription, or protocol under subsection (a) or (b) is immune from civil liability related to the issuing of the standing order, prescription, or protocol.
