34:6A-3. Safe and healthful place of employment

Every employer shall furnish a place of employment which shall be reasonably safe and healthful for employees. Every employer shall install, maintain and use such employee protective devices and safeguards including methods of sanitation and hygiene and where a substantial risk of physical injury is inherent in the nature of a specific work operation shall also with respect to such work operation establish and enforce such work methods, as are reasonably necessary to protect the life, health and safety of employees, with due regard for the nature of the work required.
