(vi) The maximum rate of interest which the bonds will bear and that they shall mature in not to exceed forty (40) years from the date of issuance thereof;

(vii) That in the event revenue bonds are issued, the payment of said bonds will be a lien upon and will be secured by a pledge of the revenues and earnings from the improvements;

(viii) The kind of improvements whose revenues and earnings are to be so pledged;

(ix) That any qualified elector of the district may file written objections to the issuance of said bonds with the clerk of the board of trustees of the district within twenty (20) days after the first publication of said notice;

(x) That if such objections are filed within said time by qualified electors of the district, equal in number to forty percent (40%) of the electors of the district who voted at the last general state election, the bonds will not be issued unless the issuance of such bonds is otherwise authorized in accordance with law; and

(xi) That if such objections are not so filed by such percentage of such electors, the board of trustees of the district proposes to pass a resolution authorizing the sale of said bonds and making such contracts with reference thereto as may be necessary or proper.

(c) Such notice shall be signed by the clerk of the board of trustees and be published three (3) consecutive weeks in a legal newspaper published or of general circulation in the district.

CHAPTER 4 - HEALTH REGULATIONS GENERALLY

ARTICLE 1 - COMMUNICABLE DISEASES

Division 1. Generally

35-4-101. Department of health to prescribe rules and

regulations; penalty for violation; resisting or interfering with enforcement.

The state department of health shall have the power to prescribe rules and regulations for the management and control of communicable diseases. Any persons violating or refusing to obey

Official LSO PDF, Title 35 (Public Health and Safety), page 156

such rules and regulations or resisting or interfering with any officer or agent of the state department of health while in the performance of his duties shall be deemed guilty of a misdemeanor and upon conviction thereof, shall be punished by the imposition of such penalty as may be provided by law. Or in the discretion of the court said person may be punished by a fine of not more than one hundred dollars (\$100.00) or imprisonment not exceeding thirty (30) days, or both such fine and imprisonment.

35-4-102. Liability of county for medical services; indigent patients.

The respective counties of the state shall not be liable for the payment of any claim for service rendered by any physician in the treatment of contagious diseases, unless such treatment shall be for the care of indigent persons who are a public charge.

35-4-103. Investigation of diseases; quarantine; regulation of travel; employment of police officers to enforce quarantine; report of county health officer; supplies and expenses.

The department of health shall, immediately after the receipt of information that there is any smallpox, cholera, scarlet fever, diphtheria or other infectious or contagious disease, which is a menace to the public health, in any portion of this state, order the county health officer to immediately investigate the case and report to the state health officer the results of the investigation. The state health officer shall, subject to W.S. 35-4-112 and if in his judgment the occasion requires, direct the county health officer to declare the infected place to be in quarantine. The county health officer shall place any restrictions upon ingress and egress at this location as in his judgment or in the judgment of the state health officer are necessary to prevent the spread of the disease from the infected locality. The county health officer shall upon declaring any city, town or other place to be in quarantine, control the population of the city, town or other place as in his judgment best protects the people and at the same time prevents the spread of the disease. If necessary for the protection of the public health and subject to W.S. 35-4-112, the state health officer shall establish and maintain a state quarantine and shall enforce practical regulations regarding railroads or other

lines of travel into and out of the state of Wyoming as necessary for the protection of the public health. The expenses

Official LSO PDF, Title 35 (Public Health and Safety), page 157

incurred in maintaining the state quarantine shall be paid out of the funds of the state treasury appropriated for this purpose and in the manner in which other expenses of the department are audited and paid. The county health officer or the department may employ a sufficient number of police officers who shall be under the control of the county health officer, to enforce and carry out any quarantine regulations the department may prescribe. The regulations shall be made public in the most practicable manner in the several counties, cities, towns or other places where the quarantine is established. If the quarantine is established by the county health officer, he shall immediately report his actions to the state health officer. The county health officer shall furnish all supplies and other resources necessary for maintaining the quarantine. Upon certificate of the county health officer approved by the director of the state department of health, the county commissioners of any county where a quarantine has been established shall issue warrants to the proper parties for the payment of all expenses, together with the expense of employing sufficient police force, to maintain and enforce the quarantine. For purposes of this act, "state health officer" means as defined in W.S. 9-2-103(e).

35-4-104. Quarantine regulations generally; modification or abrogation.

In case of the existence of smallpox, cholera, typhoid fever, scarlet fever, diphtheria, or any infectious or contagious disease, including venereal diseases, that is a menace to public health, or of any epidemic of any such disease, the state health officer may, if he deems proper, proceed to the locality where such disease exists, and make such investigation as is necessary to ascertain the cause therefor, and in case of quarantine established by the county health officer, the state health officer shall have power after close personal inspection, to modify or abrogate any or all quarantine regulations after the same have been established.

35-4-105. Escape from quarantine deemed crime; punishment.

Any person or persons confined in any quarantine established in this state under the provisions of this act who shall escape therefrom or attempt to escape therefrom, without having been dismissed upon the certificate or authority of the county health officer may be charged with a crime and shall be quarantined for tuberculosis or other emergent disease or condition that might pose comparable risk for transmission in the absence of strict

Official LSO PDF, Title 35 (Public Health and Safety), page 158

quarantine, and confined to a site designated by the state health officer and the director of the department of health until such disease is cured or becomes inactive or noninfectious. Upon conviction of a violation of this section, a person may be punished by a fine of not more than five hundred dollars (\$500.00) or imprisonment for not more than one (1) year.

35-4-106. Vaccination for smallpox; penalty for refusal.

The state department of health may adopt such measures for the general vaccination of the inhabitants of any city, town or county in the state, as they shall deem proper and necessary to prevent the introduction or arrest the progress of smallpox; and every person who shall refuse to be vaccinated, or prevent any person under his care and control from being vaccinated, or who shall fail to present himself or herself to the county health officer or a practicing physician acting under the direction of the department or county health officer, for the purpose of being vaccinated, if such physician believes vaccination necessary, shall upon conviction be fined not more than one hundred dollars (\$100.00) or less than ten dollars (\$10.00) or imprisoned in the county jail not more than thirty (30) days.

35-4-107. Report required of physician; record of each case to be kept; duty of individuals to report diseases.

(a) Pursuant to department of health rules and regulations, the state health officer or his designee shall publish a list of communicable diseases or conditions to be reported by licensed physicians and laboratories in the state. It shall be the duty of every practicing or licensed physician or other health care provider as provided by department rules and regulations in the state of Wyoming to report immediately to the state health officer or his designee in the manner established by department rule and regulation through published reporting procedures provided to each licensed physician or laboratory. The state health officer or his designee shall collect and provide information which may include the name of the person suffering from disease only to the county health officer or health representatives where disease control efforts are required. For purposes of this section, "health representatives" means those health care workers assigned by federal, state or local health authorities to assist with disease control and investigation efforts under the direct supervision of the state health officer or his designee and local county health officer. Any person knowing of a case of a
