NOTICE: This is an OSHA Archive Document, and may no longer represent OSHA Policy. It is presented here as historical content, for research and review purposes only.

The Centers for Disease Control and Prevention ([CDC](#)) has issued new guidance relating to recommended precautions for people who are fully vaccinated, which is applicable to activities outside of healthcare and a few other environments. OSHA is reviewing the recent CDC guidance and will update our materials on this website accordingly. Until those updates are complete, please refer to the [CDC guidance](#) for information on measures appropriate to protect fully vaccinated workers.
