What will Yankee Virtual 2021 Look Like?

Yankee Dental Congress 2021 is reimagining how to connect the dental community. We are excited to share that Yankee Dental Congress 2021 will be an all-digital experience.

Registration Opens November 11, at 12:00 pm.

[Registration](#)) [Registration Information](#) » [\(/Registration\)](#) [Virtual Experience](#) » [\(/FAQs\)](#)

Yankee Dental 2021 Sneak Peek

OSAP DENTAL INFECTION CONTROL MINI BOOT CAMP™

The commitment to patient and provider safety is of the utmost importance in today's ever changing climate. The Organization for Safety, Asepsis and Prevention has introduced the **Safest Dental Visit™** to highlight and support safe dental visits. Topics will include principles of infection control, CDC guidelines and OSHA regulations, responsibilities of the infection control coordinator, and the CDC recommended sequences for donning and doffing PPE equipment.

EAT, DRINK & RECONNECT

During the course of this 2.5 day event you and your peers can cook a pizza dinner together or enjoy a flight of beer or wine. Just because Yankee is virtual, doesn't mean there will not be chowder. Celebrity appearances are not out of the question either. Stay tuned over the upcoming weeks to see all of the fun and engaging activities at Yankee Virtual 2021.

MOVING PAST DISRUPTION INTERACTIVE TRACK

Join your colleagues and explore how to treat disruption as a catalyst to pursue the significant new opportunities for growth and sustained advantages. Learn how to develop a plan to confront the core disruptions that threaten existing revenues and resources. Walk away with a contingency plan to minimize future interruptions.
