The Annual Assembly of Hospice and Palliative Care

March 18-21, 2020

**San Diego Convention Center
San Diego, CA**

The premier educational event for hospice and palliative care providers.

The Annual Assembly of Hospice and Palliative Care, presented by the American Academy of Hospice and Palliative Medicine (AAHPM) and the Hospice and Palliative Nurses Association (HPNA), is a 3-day event that brings together more than 3,400 of your colleagues and peers to share research, clinical best practices, and practice-related guidance to advance the specialty and improve patient care.

The 2020 Assembly Has Been Cancelled

Leadership and staff have continued to closely monitor the situation regarding COVID-19 following updates and recommendations from the CDC, the WHO, as well as state and local governments. We never want to risk exposing people in our workforce to a situation where they could be compromised and unable to provide hospice and palliative care for an extended period of time. With the growing number of registrant and speaker cancellations, as well as the numerous institutional travel restrictions in place, our leadership has determined that it is in the best interest of all not to move forward with the meeting.

Read the FAQs below for next steps.
