FEATURED TRAINING OPPORTUNITIES

The Florida Senior Living Association is excited to announce its first ever Senior Living Virtual Conference: Celebrating the Magic of Senior Living!

Due to the COVID-19 pandemic, we have made the difficult decision not to meet in person this year, but we have pivoted to offer a full-fledged conference virtually. Our virtual conference will be held live July 28-31, and all content from the live conference will be recorded and made available on-demand. And at \$325 for FSLA Members and \$395 for Non-Members for a total of 24 CE credits, this offer is one you can't afford to miss!

[REGISTER NOW!](#)

As an extra bonus this year, instead of just choosing one track, take advantage of the opportunity to hear presentations from all session tracks since the sessions will not run concurrent. Plus, each registrant will have access to recorded sessions and digital content available on-demand up to three months after the conclusion of the live virtual event. Continue to earn continuing education (CE) credits during those three months after the live conference concludes!

A total of 24 hours of continuing education credits will be available for ALF administrators and staff, nurses, and nursing home administrators.
