| Alabama      | 5/4          | <p>ALEA Offices closed, staff answering phones and assisting with online service.</p> <p>State offices are closed to the public, our staff is available to answer telephone and emails via our normal numbers.</p> <p><a href="https://revenue.alabama.gov/motor-vehicle/">https://revenue.alabama.gov/motor-vehicle/</a></p> | ALEA Driver License offices closed until further notice.                                                                                       | 60-day grace period following expiration date.                                                                                                                                                               | All testing suspended as of 3/16. Driver License personal will contact customers who schedule appointments for services prior to pandemic. | <p>CDL/CLP holders have been granted a waiver, effective for the period beginning 3/20, through 6/30, applies to CDL or CLP holders whose commercial driver license and/or medical certification was valid on 2/29, and expired on or after March 1, 2020. (This excludes medical certifications issued for less than 90 days.) Drivers must carry a paper copy of their expired medical certificate to provide proof the expiration date was on or after 3/1.</p> <p>The state continues to register interstate commercial (IRP) vehicles. If the registrant cannot apply for title due to licensing office closures, a 60-day temporary is issued in lieu of permanent credentials (i.e. license plates). Intrastate CMVs are registered at local licensing offices.</p> | <p>March, April and May vehicle registration and renewal deadlines extended through 6/19.</p> <p>Vehicles engaged in relief efforts to operate without IRP or IFTA credentials extended to 5/1.</p> |                                        |
| Alaska       | 5/6          | <p>Offices Open by appointment only. Online, phone and mail options are available.</p> <p>For more information call 855-269-5551</p>                                                                                                                                                                                          | Service by appointment only for CDL, driving privilege reinstatement, original issuance of DL's, ID's and REAL ID and written knowledge tests. | <p>Drivers can apply for a 6 month extension on their DL.</p> <p>Effective 5/11 requirement of out of state drivers to obtain an Alaska driver's license within 90 days of entering Alaska is suspended.</p> | All road tests have been cancelled until further notice.                                                                                   | <p>CDL's expiring during the pandemic period will receive a 6 month extension but they must file for an extension.</p> <p>CDL applicants may schedule an appointment for knowledge tests. Third party testers are also able to administer the CDL knowledge tests. All road testing at the DMV is currently postponed until further notice.</p> <p>CDL's and CLP's with an expired medical cert as of 3/1 extended to 6/30.</p> <p>Title and Registrations are not permitted at this time. Title transactions can be mailed to the main office or left in the drop box on Tuesday or Thursdays during the designated times. Transactions will be processed and mailed back to customers.</p> <p>Honoring FMCSA Hazmat Waiver</p>                                           | <p>Vehicles may have expired registrations until 5/11.</p> <p>Effective 5/11 requirement to obtain an Alaska title and registration within 30 days of purchase is suspended.</p>                    |                                        |
| Alberta      | 4/22         | 30 Private Registry offices closed, 22 have amended                                                                                                                                                                                                                                                                           |                                                                                                                                                | 60 day extension for DL/IDs 3/17-                                                                                                                                                                            | Effective 3/19 passenger road                                                                                                              | 60 day extension for commercial 3/17-5/15. Med cert suspended for 60 days. AB will                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | Extension to 5/15 for documents that expire                                                                                                                                                         | Expiration dates extended until        |

| Jurisdiction   | Date Updated | Operational Status                                                                                                                                                                                                               | Limiting Customers or Appointment Only                                  | DL/ID Issuance and Extensions                                                                               | Driver Skills Testing                                                                                                                                                                                                                                        | CDL                                                                                                                                                                                                                                                                                                                                                                           | Vehicle Title and Registration Issuance and Extensions                                                                                                                                         | Vehicle Safety & Emissions Inspections |

No skills tests are being offered.                                                                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                                                                |
| British Columbia | 4/29         | All ICBC Driver Licensing and Service BC offices are open, some Appointed Agents are closing or limiting services. In ICBC offices customers are being asked health screening questions before being permitted to enter office. Limited number of customers in office at any given time. Vehicle Reg/Licensing/Insurance broker offices remain open for processing. Enhanced DL/ID appointments are currently suspended. | All ICBC Driver Licensing and Service BC offices are open, some Appointed Agents are closing or limiting services. In ICBC offices visitors are being asked health screening questions before being permitted to enter office. ICBC is limiting access to its waiting areas to ensure appropriate social distancing. To help communities whose offices have closed and to limit contact in all public facing offices, effective 23MAR23, customers who need to renew an expiring DL, who require replacement DL due to loss or damage of DL credential or who need to reinstate their DL can do so over the phone with a DL Contact Centre. Customer will be mailed paper interim DL for 90 days, unless Canada Post is affected. Driver Medical Examination Reports are temporarily suspended; vision screening requirement remains in place for new applicants. Vehicle registration transactions can still be processed in insurance broker offices and these brokers are now temporarily allowed by ICBC to accept registration & insurance renewals over the phone. These independent broker offices will decide if they will continue serving customers in person. ServiceBC and Appointed Agent providers who generally serve remote areas will make their own decisions. | As of 3/25 customers whose BCDL is nearing expiry or expired, customers will renew or replace their DL by phone. Customers renewing by phone will be sent a 90 day interim paper license. Effective 3/20 BCDL renewal and replacements will only be processed in DLO by exception. | Beginning 5/19 knowledge tests will be available by appointment only for the following customers: <ul style="list-style-type: none"> <li>• All commercial learner class applicants including air brakes &amp; heavy trailer.</li> <li>• New residents to B.C. (NRDL).</li> <li>• Any customer (Class 1-8) whose learners licence expired on or after 3/1 or will expire within two weeks from when they phone to book.</li> </ul> | Road tests suspended until further notice.<br><br>BC will accept expires U.S. Commercial Driver Licenses granted under the recent FMCAS waiver in response to COVID-19 from 3/20-6/20.                                           | Offices are still open, but telephone/e-mail service also is now temporarily available for issuance and renewals of vehicle registration, license and insurance. A Temporary Number Plate (TNP) is emailed to the vehicle owner for printing on paper for display on rear vehicle window and a smaller TNP for display on front windshield. The TNP may be displayed on the vehicle instead of a regular metal licence plate until the new metal number plates are delivered by mail or courier. Also, motorists may (a) carry electronic or unsigned documents or (b) display expired decals on their license plate if regular mail/courier is unavailable after registering or renewing by phone. | If a vehicle displays a Vehicle Inspection Certificate of Approval decal expiry date of 3/30 or 4/30 the vehicle may continue to operate on B.C. highways under an extension that will remain in place until 5/31. The extension period may be extended or terminated based on current events. |
| California       | 5/12         | 25 field offices will begin to reopen starting 5/8.<br><br>Opening 10 industry business centers.<br><br>The remaining 170 field offices will provide services                                                                                                                                                                                                                                                            | Now taking appointments.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | Drivers under 70 with expiring DL's between March and May now valid through 5/31. Drivers 70 and over with expiring DL's will receive a 120                                                                                                                                        | Behind-the-wheel drive tests continue to be suspended.                                                                                                                                                                                                                                                                                                                                                                            | All CDL's and CLP's expiring between March and June now valid through 6/30. This extension does not include medical certs.<br><br>Issuing new CLP's through the employer testing program but not issuing new CDL's at this time. | Waiving late fees and penalties for vehicle registration renewals due between March 16 and May 31, 2020, and paid within 60 days of the original expiration date. The requirement to have current license plate stickers is also                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                                                                |

| Manitoba     | 5/6          | <p>Open for business at most MPI locations and broker offices, but three MPI Service Centres have been converted to drive-thru COVID testing locations by the health authorities and two other MPI Service Centres are now closed for in-person transactions. Front-counter staff will not serve people who have returned from travel outside of Manitoba and who have not self-isolated for the recommended 14 days. Following advice of public health officials, no more than 10 customers will be allowed at one time in any MPI Service Centre. Service Centre hours have also been slightly reduced to offer in-person service between 9:00 a.m. and 4:30 p.m.</p> <p>All Driver's Education (Driver's Z) classes suspended until further notice, but online learning portion of the program continues.</p> <p>MPI is temporarily allowing the following transactions to be carried out without the need to visit an Autopac agent or one of MPI's Service Centres in person:</p> <ul style="list-style-type: none"> <li>- New registration and policy application</li> <li>- Renewal of an expiring/expired driver's licence</li> <li>- Reapplication of a lapsed driver's licence</li> <li>- Manual reassessment of an active or lapsed driver's licence</li> <li>- Driver's licence replacement</li> </ul> | <p>No new vision or knowledge test appointments.</p> <p>Requests for drivers abstracts are no longer being taken in person at Service Centres, and must be faxed to MPI. Completed abstracts will be emailed back to drivers.</p> | <p>Most customers can make payments online or by phone to keep driver's licences, vehicle registrations, and insurance policies active. Some customers will be unable to do all transactions by phone or online (i.e. new customer setup).</p> <p>MPI is temporarily allowing customers to renew their enhanced identification card (EIC) or enhanced driver's licence (EDL) by phone. Customers renewing EDLs will receive a temporary driver's licence that is valid for 45 days.</p> | <p>All scheduled road and knowledge tests are cancelled until further notice. No new appointments. Extensions to medical requirements are being granted as necessary.</p> | <p>No commercial testing being scheduled until further notice.</p> <p>Will currently accept expired US CDL licenses granted under FMCSA waiver.</p> <p>Motor Carrier Inspection Division staff have also been directed to refer to the CVSA emergency declaration site (<a href="http://www.cvsaemergencydeclarations.org/">http://www.cvsaemergencydeclarations.org/</a>).</p> | <p>New registrations, renewals, and policy applications can be done by phone through Brokers or by calling MPI directly. Applications for new Personalized Licence Plates will not be accepted until further notice.</p> <p>Some jurisdictions in Canada and the USAs have provided registration 'waivers', or extensions of commercial vehicle registration expiry dates or commercial driver's licences. MPI will accept an expired CDL for 90 days beyond the expiry date.</p> |                                        |

| Pennsylvania         | 5/11         | <p>Driver License and Photo License Centers in yellow phase counties reopened adhering to restrictions on work and social interaction set by Governor Tom Wolf and the Pennsylvania Department of Health. Prior to entering customers will be prescreened. In the centers customers must wear a face mask and maintain 6 ft distance from others. Limited seating in the center will be provided and only the customer coming for the service will be allowed in, unless assistance is needed by an accompanying person;</p> <p>Centers are offering limited services.</p> <p>Visit <a href="https://www.penndot.gov/Pages/Coronavirus.aspx">https://www.penndot.gov/Pages/Coronavirus.aspx</a></p> <p>The general Public may call our toll free customer care center at 1-800-932-4600 .</p> | Suspended issuance of REAL ID licenses and photo ID cards until further notice. | Driver Licenses, photo ID cards and learner's permits with expiration date between 3/16 - 4/30 are now extended through 5/31. | Non-commercial road testing is not offered at this time.                           | <p>CDLs scheduled to expire from 3/16 - 4/30 the expiration date is now extended until 5/31.</p> <p>The expiration date of an HME for a Pennsylvania CDL holder who held a valid, unexpired HME with a determination of no security threat on or after 3/6, is extended until 5/31.</p> <p>In reference to FMCSA waivers concerning Examiners Medical Certificates, PennDOT has temporarily stopped processes to downgrade CDL drivers who are unable to provide their updated MECs as indicated in the FMCSA waiver and guidance; however, If drivers do obtain an updated, valid MEC, the Bureau of Driver Licensing is still able to process the MEC and add the information to the driver record.</p> <p>Pennsylvania is processing apportioned registration renewal applications and renewal invoice payments, that are received through the mail. Pennsylvania apportioned registrations expire 5/31; encourage apportioned registrants to continue to mail their apportioned renewal to PennDOT for processing. Title applications for commercial vehicles are being processed if submitted as part of the apportioned renewal application. No additional service channels have been approved for processing of titling or registering of apportioned vehicles at this time.</p> | <p>Vehicle Registrations set to expire between 3/16 - 4/30 are now extended through 5/31.</p> <p>Persons with Disabilities Parking Placards scheduled to expire from 3/16 - 4/30 the expiration date is now extended until 5/31.</p> <p>Per 4/20 announcement, allowing for vehicles sales over the internet is very limited. In order for dealers to conduct sales via the internet, the dealer must be licensed by the Department of State and participate in PennDOT's Online Registration program (OLRP). The title application must be processed through PennDOT's OLRP system. No additional service channels have been approved for processing of non-commercial title or registration applications at this time.</p> <p>Most non-commercial registrations, may be renewed online via PennDOT's website at <a href="http://www.dmv.pa.us">www.dmv.pa.us</a></p> | Safety inspections and emissions set to expire between 3/16 - 4/30 are now extended through 5/31.                                                                          |

| Texas        | 5/11         | <p>All 16 DMV Regional Service Centers are closed as of 3/17, some county offices still open. Effective 3/19, all TX DL offices are closed, online services still available. 75% of HQ staff for both working, most remote.</p> <p>All TxDMV offices closed to the public for in-person transactions. Services and support will continue to be provided by mail, email, and phone while in-person services are unavailable. Operations at county tax offices, through which most motorists conduct registration and title transactions, will vary from county to county.</p>                                                       | Driver License Offices are appointment only for CDL only.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | Extensions granted for all card types for 60 days after state of disaster has ended.                                                                                                                                                                                                                                                                                                              | CDL written and skills tests (only) will be administered by appointment only. | <p>CDL written and skills tests (only) will be administered by appointment only. Still processing applications for new CDLs.</p> <p>TxDMV is not imposing COVID-19 related restrictions on travel for vehicles/loads moving with an Oversize/Overweight Permit. However, all permittees need to check local shelter-in-place/stay-at-home orders prior to movement to ensure the travel meets the definition of "essential" for those areas.</p> <p>A commercial motor vehicle qualifies for the temporary suspension of International Registration Plan (IRP) requirements if the vehicle is registered in one of the 48 contiguous states and is not currently registered under IRP. The suspension covers the vehicle registration requirements for operators of commercial motor vehicles that are providing assistance to any state pursuant to the disaster declarations for those states.</p> <p>Requirements to obtain a 72-/144-hour temporary registration permit also are suspended for those commercial motor vehicles that are not eligible for IRP registration.</p> | 3/16 - the requirements for initial vehicle registration and registration renewal; vehicle titling and late title transfer penalty; and renewal of permanent handicapped placards are suspended. The suspension is in effect until 60 days after the department resumes normal operations. | Issued a waiver from the requirement to renew registration. The waiver was issued to avoid having crowds in public spaces. When the state of emergency has passed you will have 60 days to have your vehicle inspected and complete the registration process. |
| Utah         | 5/4          | Office closures are decided on the county level.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | Offices serving the public by appointment only are at the discretion of the county.
