The International Workboat Show, one of the biggest maritime industry conferences in the United States, has been cancelled due to COVID-19, show organizers announced today. Cancellation

“It is with heavy hearts that we make the announcement that we will not be holding the 2020 edition of the International WorkBoat Show,” said Workboat’s Group Vice President and Show Director Bob Callahan. “After extensive consultation with the WorkBoat community, it is clear there are too many

ects hundreds of exhibitors and

thousands of convention-goers from around the world from across the maritime and offshore industry spectrum.

In its place, Workboat will host a free 12-part web series moderated by the editors of WorkBoat magazine and WorkBoat.com.
