COVID cancels 2021 Work Truck Show

The NTEA announced due to the pandemic, Work Truck Week cannot safely be held next March. A virtual replacement has not been announced, though the group is exploring digital alternatives.

[NTEA, the Association for the Work Truck Industry](#), has decided that with less than five months until [Work Truck Week](#) and the COVID-19 pandemic still not under control, holding the event in-person in Indianapolis would not be feasible for 2021. Lockdowns across the country began shortly after the last event, which includes the Work Truck Show and Green Truck Summit, held at the Indiana Convention Center March 3-6, 2020.

A joint statement from the association and NTEA President & CEO Steve C. ... our attendees, exhibitors and staff" ... tight restrictions due to the pandemic ... ensure attendees, exhibitors and in ... accomplish their goals or get what t ... Truck Week."

The Advanced Clean Transportation Expo, which was set for mid-May, retooled to a series of digital presentations and a virtual trade show held from August to November.

"Working closely with our Fleet Planning Committee, we designed an approach that provides consistent 'bite size' reports at a consistent cadence, about every-other-week," says Neandross & Associates, which provides training for our fleet leadership teams to easily adjust schedules as they would a normal report. They run their businesses on a day-to-day basis.
