MODEX is where the brightest minds in manufacturing and supply chain gather to discuss the trends of today and the challenges of tomorrow. They come to MODEX to find the best supply chain solutions, the latest innovations, and the smartest thinking.

MODEX is the best place to get reliable information and solid advice as you make decisions about capital expenditures and supply chain investments. By attending, you will find the solution-sourcing and world-class education that will help accelerate your speed to market and increase supply chain

efficiency. All this, delivered over one week, at one location—March 9–12, 2020, at Atlanta’s Georgia World Congress Center.

At MODEX, you will find the largest and broadest array of manufacturing and supply chain solutions in North and South America, including:

Exhibits: MODEX will feature 950 exhibits covering 370,000 square feet. The exhibits will feature equipment and systems from the leading material handling, logistics, and supply chain solution providers from the United States and around the world. By attending, you will see new ideas and solutions in action and meet face to face with leading suppliers who can help you find answers to your manufacturing and supply chain challenges.

MODEX will span two contiguous show floors at the Georgia World Congress Center with exhibits in the B and C Halls. Don’t miss MODEX’s “Emerging Technologies” and “Transportation & Logistics” solution centers.
