COVID-19 Update from TIA President & CEO

Like you, we are all trying to figure out the COVID-19 situation on what seems to be an hour-by-hour basis. We also know you have concerns about the upcoming TIA Capital Ideas Conference & Exhibition. Our utmost concern is for the health and safety of our members and attendees.

We are working closely with the City of Austin, the Office of the Texas Governor, our insurance providers, and Marriott International. As such, we are looking at a number of options and will make a final determination on the afternoon of Monday, March 16. A formal announcement will then be made public on the morning of Tuesday, March 17.

We care about your health and safety. We care about your businesses. We know you care about the health of TIA. Together, we will get through this, and be stronger for it.
