WELCOME TO BLACK HAT USA 2021

Now in its 24th year, Black Hat USA is excited to present a unique hybrid event experience, offering the cybersecurity community a choice in how they wish to participate. Black Hat USA 2021 will open with four days of Virtual Trainings (July 31 – August 3) conducted in real-time online, with all instructors accessible throughout each class. The two-day main conference (August 4–5) featuring Briefings, Arsenal, Business Hall, and more will be a hybrid event—offering both a Virtual (online) Event and a Live, In-Person Event in Las Vegas. See the Conference Highlights below for more details.

Saturday, July 31 – Tuesday, August 3

All 2021 Trainings will be virtual and accessible online from anywhere in the world. Classes and labs will be fully interactive and presented live, expanding upon the highly successful virtual model introduced in 2020.

Often found exclusively at Black Hat, these Trainings are taught by experts from around the globe, providing opportunities for firsthand technical skill-building to offensive and defensive hackers of all levels.

[BRIEFINGS](#)

Wednesday, August 4 & Thursday, August 5

New for 2021, Black Hat Briefings will be offered both Virtually (online) and Live, In-Person.

Whether you choose to join your colleagues and peers in Las Vegas or online, all Briefings passes will include access to all recorded Briefings during the event and for a full 30 days afterward. No matter how you choose to participate, you won't miss a single Briefing!

[FAQ](#)

The Black Hat Team is very excited at the prospect of once again bringing the infosec community together in person in Las Vegas, while also offering a virtual option for anyone who prefers to participate online.

We've created an FAQ to provide basic information about this year's event, and we will add to this document as more details are confirmed.
