Update on Apartmentalize

With the ongoing circumstances related to COVID-19, NAA has made a difficult decision to cancel the in-person Apartmentalize event in Dallas and move to an entirely digital conference. While our preference would have been to convene in person in November, this carefully vetted decision prioritizes the health and safety of all attendees.

Our new event, [APTvirtual](#), allows you to connect from the comfort of your home or office and experience:

- **Education & Speakers:** 63 engaging education sessions from industry trailblazers and impactful insights from our Game Changer speakers.
- **NAA Exposition:** Connect with supplier partners to explore the latest industry innovation and experience new products. Explore the virtual exposition at your own pace and schedule one-one-one appointments with participating exhibitors who are eager to help you find optimal solutions for your company.
- **Networking:** Make the most of your online event experience by taking advantage of opportunities to connect with other participants including Virtual Braindates, speed networking, happy hours, Q&A with speakers, live polling, and private meetings with participants and suppliers.

If you registered for Apartmentalize in Dallas, you should have received an email notice with details, but please [contact us](#) if you have any additional questions.
