Regeneron ISEF 2020 Cancelled

The Society for Science & the Public and Regeneron are deeply disappointed to share that, based on our comprehensive evaluation of guidance provided by the Centers for Disease Control related to the COVID-19 outbreak, we have made the difficult decision to cancel the Regeneron International Science and Engineering Fair 2020, scheduled for May 10-15 in Anaheim, California.

Join the ISEF Sponsorship Community

Inspire the next generation of STEM leaders.

Join the exclusive group of forward-thinking corporations, foundations, organizations, and individuals that provide sponsorship support at the prestigious Regeneron International Science and Engineering Fair. [Learn more.](#)

The Next Generation of STEM Leaders

Every year, tens of millions of students participate in science fairs around the globe but only about 1,800 earn the right to compete for nearly \$5 million awards bestowed each May at the Regeneron International Science and Engineering Fair (ISEF).

Compete

Competing at Regeneron ISEF starts at a Society-affiliated fair

Awards and Recent Results

Regeneron ISEF finalists compete for nearly \$5 million in awards, prizes and scholarships.

Each year more than 1,800 ninth through twelfth graders earn the right to compete at Regeneron ISEF by winning a top prize at a Society-affiliated local, regional, state or national science fair.
