Independent Ideas Blog

Eliminating Systemic Racism: A Systems Thinking Approach

Independent schools must resist the temptation to look for the quick fix for the injustice of systemic racism, and instead do the hard work to engage and leverage people, culture, and systems.

[Read More](#)

Independent School Magazine

Support Systems That Help Black and Brown Students Thrive

Independent schools should have diverse leadership teams. Families of color must feel validated, represented, and seen. Likewise, it's vital to build culturally competent faculty at schools.
