The leading advocate for public education.

[NSBA Transition Recommendations](#)

NSBA provided the Biden/Harris transition team with several nonpartisan recommendations to guide the incoming administration's policy platform. Our recommendations address the ongoing national emergency while setting a vision for the future of public schools across the nation.

Equity Online Symposium 2021 (Archived Video Available)

On February 10, more than two thousand school leaders committed to educational equity and registered for the 2021 NSBA Equity Online Symposium. They heard inspirational stories, valuable advice from their peers, and important guidance on how to provide the support that equalizes and improves the educational experience for every student. If you missed it, video is now available.

FAQs on New Executive Orders

In response to several executive orders President Biden signed on his first day in office, NSBA has produced three FAQ guides to assist state school boards associations in addressing member questions about how local policies may be affected by the change in federal approach.

COVID-19 Update: NSBA is committed to the safety and security of our team and our members. To safely and effectively meet the public health challenge presented by COVID-19, except for essential team members to help us process mail and other business operations, the NSBA team is currently working remotely. Regardless of where our team is located, we are passionately dedicated to serving our members with products, services, and support to improve the lives of our children through public education.
