About BMN Extraordinary times demand extraordinary solutions. The North American motorcoach industry needs timely and meaningful communications. It needs a strong, aggressive industry newspaper that informs, analyzes, educates and advocates. It needs a publication that reports today's actions, events, ideas and issues immediately — not two or three months from now.

When industry operators and suppliers have better and faster information, they can make smarter and quicker decisions. It is for these reasons and others that Bus & Motorcoach NEWS was created. Bus & Motorcoach NEWS supplies the industry with meaningful information that's fresh and useful. Essential and compelling news, information and analysis are the meat and potatoes of Bus & Motorcoach NEWS. When there's a significant industry development today, it will be reported and interpreted for the entire industry in Bus & Motorcoach NEWS within two weeks - often sooner.
