LDI2020 Cancellation Update

Connecting Design, Technology, and Production to the Live Audience Experience

[Cancellation FAQ](#)

[INTERESTED IN EXHIBITING?](#)

Live Design International (LDI) has been forced to cancel the 2020 event due to the Covid-19 pandemic. LDI was originally scheduled to run October 23-25, 2020 at the Las Vegas Convention Center, Las Vegas, NV.

This will be the first time in 32 years the event has been forced to cancel. Our thoughts go out to everyone who has been affected by the current situation and our number one priority remains keeping our entire community safe.

The 2021 edition is scheduled to take place November 19-21, 2021 at the Las Vegas Convention Center, Las Vegas, NV.

Our team is working through the logistics that are involved with cancelling an event. We understand that you will have questions and concerns. All attendee registration tickets purchased for the original LDI2020 dates will be honored for a full credit towards the 2021 event. Exhibitors and sponsors will be contacted soon with information.

Please contact Marian Sandberg, Vice President & Market Leader, LDI and Live Design, at [\[email protected\]](#) with immediate exhibitor inquiries.

As the leading conference and tradeshow for live design professionals from all around the globe, Live Design International (LDI) hosts over 16,000 members of the production community, working in a wide range of international live and broadcast venues – festivals, corporate events, theatre, concerts, clubs, theme parks, architainment, and houses of worship.

You are part of a global live production community from 80+ countries that meets annually at LDI to learn about new technologies and applications, engage with peers and industry vendors and replenish your creativity. From leading industry training, hands-on product demos, vendor-designed presentations and real-world product applications to unique experiential networking events, LDI offers something for everyone on your team.
