Where Business Meets Pleasure

“We fully support CineGear postponing to October. Hopefully by then our industry is back to work, and production is in full swing. CineGear is such a wonderful place for our community to gather, check out new gear and reconnect with old friends, and I truly believe we’ll need it after all of this is over.”
Paul Royalty

VP of Sales, Litegear, Inc.

“Cine Gear Expo has grown into a force to be reckoned with and THE don’t miss show of the year. CONGRATS!”
Lisa Muldowney

Senior Strategist, Ignite Strategic Communications

“The best part about CineGear is all the faces I get to see.”
Rhet Bear

Director of Photography

“I’m on the plane back from CineGear, the video and cinematography show based on Paramount’s Studio lot in Hollywood. In three words: It was Great!”
David Shapton

Editor In Chief, RedShark Publications 2012 to 2020
