Emerald COVID-19 Resources

At this time of global concern, the health and safety of our communities, customers, and team members is of the utmost importance to Emerald, and we are committed to the overall well-being of our industry.

We are closely monitoring the fast-moving developments regarding COVID-19 in accordance the Centers for Disease Control & Prevention (CDC), and World Health Organizations (WHO), and prepared to take action as the need arises. As a result, Emerald had made the decision to postpone and/or cancel our shows taking place through the end of 2020. Please check with your specific event website for more information.

As we continue to actively track this pandemic, our focus is to provide updated information and resources to this page as quickly as they becomes available to us.

We understand and appreciate the impact COVID-19 is having on our business-to-business customers and are committed to supporting our businesses, both large and small. While we face this global crisis with you, know that we are not only One Emerald, we are One, United Community.

Please find below additional resources to help you answer questions and obtain further information.
