VMX 2020-Universal Image

The North American Veterinary Community, publisher of Today's Veterinary Business, will host its VMX 2021, instead of its VMX 2020, on September 9, 2021, instead of its VMX 2020.

VMX 2021 will be live and in-person at the University of Illinois Center and anywhere virtually.

“VMX is an event that is at its core a virtual event where everyone can participate. While we have received a lot of interest from most of whom plan to attend and who want to attend but cannot attend in person, we are excited to bring Gene O'Neill. “NAVC is committed to providing consideration all of the interests of our members and deliver that best when times are tough.”

VMX is the veterinary industry's largest event where members of the veterinary community meet with the world's most renowned experts in a virtual expo hall and network with colleagues.

Building on the NAVC's ground-breaking VMX Virtual Expo Hall, introduced at VMX 2020 earlier this year, VMX 2021 will be a fully integrated hybrid event where
