2019 Highlights of ACS Achievements

During 2019, ACS was able to build on the momentum from 2018, and to accelerate the rate of progress. [Read more about our 2019 achievements here \(PDF\).](#)

Election results for ACS 2020 officers

The ACS Committee on Nominations and Elections is pleased to announce the results of the ACS 2019 National Election. [Read more about them here.](#)

The American Chemical Society urges action to address climate change

In light of the recent release of the Fourth National Climate Assessment Volume II, ACS urges the administration and Congress to take immediate steps to deal with humanity's role in climate change and reduce greenhouse gas emissions.

ACS takes your privacy seriously

ACS is committed to protecting your personal information. Our updated [privacy policy](#) reflects our efforts to comply with the new European General Data Protection Regulations

which details what information we collect from you, how we use it, and what we do to safeguard it.
