ANNUAL MEETING PAPER UPLOAD DEADLINE EXTENDED TO MARCH 30

The deadline for 2020 Annual Meeting presenters to upload the final version of their papers has been extended from March 20 to March 30, in light of the impact of the COVID-19 outbreak.

We encourage those uploading their final paper to also check off a willingness to participate in the AERA Online Paper Repository. It is not required but provides an authenticated citation to the paper and is much more widely available for feedback and discussion to a broad scholarly community. We also encourage those who already

uploaded their final paper but did not check off the Online Paper Repository option to return to All Academic and check this option.
