2021 Cancellation FAQs

General Questions

[Will the SHOT Show be rescheduled?](#)

Unfortunately, the 2021 SHOT Show cannot be rescheduled. Instead, we look forward to welcoming you to the 2022 show. Look for more information in the coming weeks about other ways to stay connected with industry members throughout the year in an online setting. We are currently making plans to offer our education sessions online, and we are exploring options to connect exhibitors and attendees in the virtual world.

[Are all events associated with SHOT Show cancelled as well?](#)

Yes. Unfortunately, we are having to cancel all official SHOT Show events scheduled to take place. Those participating in SHOT Show Industry Day at the Range should contact their representatives from CMG Marketing & Events at 843-410-2739 or email cathy@cmgmarketingandevents.com.

[What are the dates and location for the 2022 SHOT Show?](#)

The 2022 SHOT Show will take place January 18 – 21, 2022, at the Sands Expo and Caesars Forum in Las Vegas.

Attendee Refunds

[Will SHOT Show refund my registration fees?](#)

While the refund policy enacted earlier this year indicated 50% would be refunded and 50% would be rolling over, it has been decided to refund the full amounts paid through registration.

[When should I expect the registration refund?](#)

All registered attendees should see a refund of their registration fees applied to the credit card by which they paid by December 31.

[What about fees paid for education programming?](#)

Fees paid through SHOT Show registration for education, such as SHOT University™, Retailer Seminars or Law Enforcement Education Program (LEEP) sessions, will be fully refunded and emails will be forthcoming to register for upcoming education sessions that will be hosted online through a different registration system.

Exhibits and Sponsorships

[Will my 2021 fees be refunded, or can I apply it to the 2022 show?](#)

The cancellation policy agreed upon by the NSSF Board of Governors this past March will now be implemented. This allows for 50% of all fees associated with the 2021 SHOT Show to be rolled over to the 2022 SHOT Show and the remaining balance refunded back to the exhibitor.

[Can I donate my "refund" to NSSF to assist with its efforts to support the industry over the next year?](#)

Many exhibitors have expressed a desire to support the NSSF and its efforts on behalf of our industry. Exhibitors will be able to make this election through a form that every exhibitor will be directed to complete through their respective Exhibitor Dashboard.

[When can I expect my refund and how will they be made?](#)

Refunds will be made as soon as possible, with all refunds anticipated to be completed by December 31. Refunds will be made based on the method of payment already made to NSSF. Those that paid by credit card will receive a refund

on that credit card. Those that paid by check will receive a check. Domestic companies that paid by wire transfer will be issued a check. International companies that paid by check or wire will be contacted by SHOT Show team members to confirm the appropriate bank information to receive a wire transfer.

[When will I be able to renew my booth space for 2022?](#)

Booth Space Applications for the 2022 SHOT Show will be sent by email to the main exhibit contact towards the end of December, just as we have done for the past several years.

[Will I be able to see the rollover reflected on my 2022 SHOT Show booth statement?](#)

A credit balance will be reflected on the 2022 SHOT Show application when they are first sent out in the coming months.

[Will I be guaranteed my same booth space for the 2022 SHOT Show?](#)

With the significant changes that have taken place over the last year, between the addition of the Caesars Forum, consolidation within the industry, and upheaval resulting from the COVID-19 pandemic, the SHOT Show will be conducting a full space selection this coming year. Each exhibitor will be given the opportunity to request the ideal booth size and location they want to have for the 2022 SHOT Show in their application. Selection order will be based on membership and priority points.

[When will the Space Selection take place?](#)

An online live space selection is anticipated to take place in the late spring or early summer of 2021.

[How are priority points impacted by the cancellation?](#)

No priority points will be earned for the 2021 SHOT Show. Space selection for the 2022 SHOT Show will be based on priority points earned through the 2020 SHOT Show and NSSF membership status, as has been utilized during the booth moves process the past several years.

[What are the 2022 exhibit booth rates?](#)

The exhibit rates for the 2022 SHOT Show have not yet been established.

Supplier Showcase Exhibitors

[Is the cancellation policy and renewal policy any different for Supplier Showcase participants?](#)

No. The policies listed above for cancellation, refunds and renewals are the same for the Supplier Showcase as they are for the exhibitors in the traditional exhibit halls.

Other Questions

[How do I cancel my hotel reservation?](#)

Any reservation booked through the SHOT Show's official housing vendor, onPeak, will be cancelled automatically without penalty. If you need to contact onPeak, call 1-800-388-8104 or email shot@onpeak.com. Reservations made directly through the Venetian | Palazzo link on SHOTShow.org will be canceled automatically as well, and the deposits taken for those reservations will be refunded. There is no need to contact the hotel for canceling those reservations. For those with group reservations booked and contracted directly with the Venetian | Palazzo hotel, we recommend you contact your sales associate at the hotel directly to process the cancellation. Registrants who booked housing through other sources or directly with hotels must cancel their own reservations.

[I have orders already with Freeman – what should I do?](#)

If you ordered any services or custom exhibit from Freeman, contact Freeman Exhibitor Services at 702-579-1700 or FreemanLasVegasES@Freeman.com.

[How do I cancel my airfare?](#)

Please contact your carrier directly. Many airlines are relaxing change and cancellation fees in light of the COVID-19 pandemic. Here are some links to popular airlines' coronavirus travel update pages:
