Global Pet Expo Digital Access

Global Pet Expo Digital Access will take place March 24–26, 2021.

Global Pet Expo is moving to a fully-digital experience in place of its live trade show for 2021. Presented by the American Pet Products Association (APPA) and Pet Industry Distributors Association (PIDA), Global Pet Expo Digital Access is the pet industry's premier digital event featuring the newest, most innovative pet products on the market today.

Global Pet Expo Digital Access is open to independent retailers, distributors, mass-market buyers, and other qualified professionals (Buyers). Online registration (<https://globalpetexpo.org/buyer/registrationinfo.asp>) is live, and buyers and members of the media who have already successfully registered for Global Pet Expo 2021 will automatically be registered to attend the digital event.

Full details about the digital access platform will be released soon.
