The Fayette County Clerk’s office will temporarily close and cease all operations due to the COVID-19 outbreak.

Fayette County Clerk Don Blevins, Jr. said, “I completely support and agree with Mayor Gorton’s decision to limit local government to essential services. We are entering a time where it is crucial to limit the transmission of COVID-19, and this is an important component of our strategy.”

Automobile Registration and Titling

The public still has two options for renewal of their vehicle registration. First, online renewal is available for most vehicles at [drive.ky.gov](#). Second, registration renewals may be mailed to:

Fayette County Clerk
162 E. Main St.
Lexington, KY 40507

Mail-in renewals should include the prior year registration receipt, proof of insurance, and payment. Online renewal instructions are included at the website listed above.

Note that online and mail renewals will be received, but not processed until we return.

Vehicle transfers remain suspended until further notice. Individuals that have purchased a vehicle from out of state will need to retain their documents until we can reopen. Individuals selling a Kentucky-titled vehicle to another person will also have to wait until we reopen to complete the transaction.
