We ask riders to limit the number of recreation based trips for their safety and the safety of our operators.

Paratransit riders can call the Paratransit reservation line at 504.827.7433 to speak with a customer service representative or click [here](#) to visit the Paratransit page.

Ferry Service

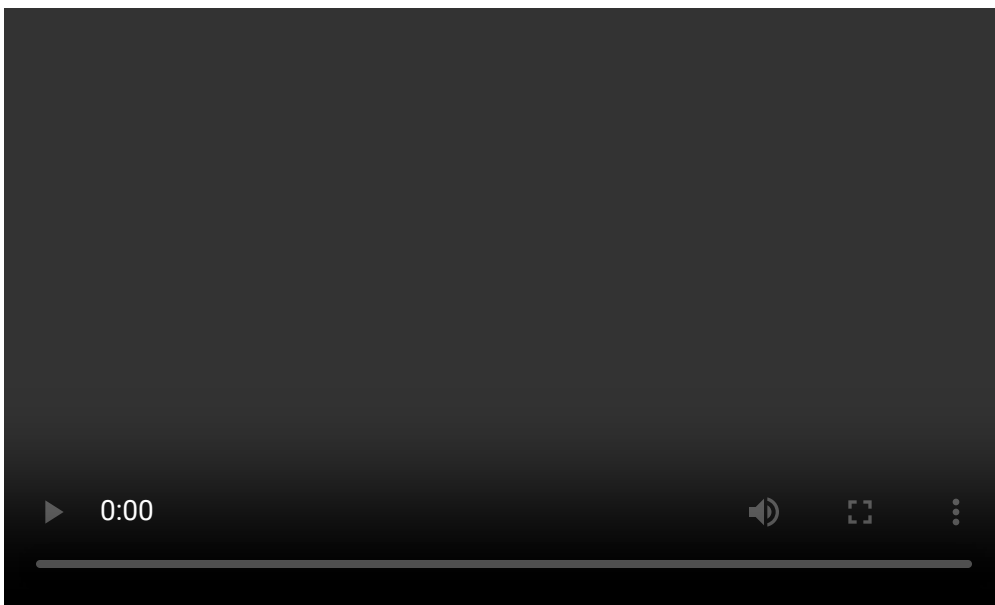

Algiers Point – Canal Street : The Algiers Point – Canal Street Ferry will operate Sunday through Saturday from 6:00 am to 6:00 pm

Lower Algiers – Chalmette: The Chalmette ferry schedule will remain the same.

Current Preventative Methods

The agency remains committed to the safety of our riders and has implemented additional disinfecting methods when cleaning the vehicle fleet. Our regular cleaning process, includes; trash removal, sweeping and mopping of vehicle floors, and wiping down passenger and driver areas with a disinfectant solution.

The agency is enhancing the daily cleaning process to include an additional disinfectant that is sprayed to deter the spread of Coronavirus (COVID-19). The additional cleaning process is designed to disinfect high touch areas, including all railings, seating, operator area, and fareboxes. The agency will continue to clean and disinfect all vehicles within the fleet. This includes all buses, streetcars, ferries, and paratransit vehicles. Each vehicle is cleaned daily with a deep cleaning occurring every 48-72 hours. A log is maintained of all vehicles cleaned and updated daily.

Stay vigilant against COVID-19 by following a few simple steps:
