Executive Order 2020-006

AMENDING AND RESTATING EXECUTIVE ORDER 2020-05 (DATED MAY 15, 2020) WHICH AMENDED EXECUTIVE ORDER 2020-003 PROHIBITING LARGE GATHERINGS AND EVENTS, CLOSING PLACES OF ASSEMBLY AND SOCIAL DISTANCING RULES

Whereas, A state of emergency and catastrophic health emergency was proclaimed on March 5, 2020 by the Governor Larry Hogan of the State of Maryland;

Whereas, On March 13, 2020, a state of emergency was declared by County Executive John A. Olszewski, Jr., to control and prevent the spread of COVID-19 within Baltimore County, Maryland (“the County”), and the state of emergency still exists;

Whereas, COVID-19, an infectious and contagious respiratory disease that spreads easily from person to person and may result in serious illness or death, is a public health catastrophe and has been confirmed in the County, therefore the County may take such action as is necessary to maintain health and control and prevent the spread of any contagious or infectious diseases within the jurisdiction;

Whereas, To reduce the spread of COVID-19, the U.S. Centers for Disease Control and Prevention and the Maryland Department of Health recommend canceling large gatherings and social distancing in smaller

gatherings;

Whereas, The currently known and available scientific evidence and best practices support limitations on large gatherings and the use of social distancing to prevent exposure and transmissions, and reduce the transmission to especially vulnerable populations, including older individuals and those with chronic health conditions;

Whereas, Pursuant to Baltimore County Code, 3-1-504, the County Executive hereby has all authority listed therein to control the spread of COVID-19 including, but not limited to, the right to control traffic, including public and private transportation, designate zones in which the occupancy and use of buildings and vehicles may be controlled; establish requirements to shelter in place, control individuals on public streets, and control places of amusement and places of assembly;

Whereas, Nothing herein shall be construed to limit or conflict with any order or authority of the local Health Officer;

Whereas, To reduce the threat to human health caused by the transmission of COVID-19 in the County, and to protect and save lives, it is necessary and reasonable that individuals in the County refrain from congregating in a manner that may exacerbate the spread of COVID-19, such as, but not limited to, a physical environment in which large numbers of people are in close proximity and have multiple opportunities for close contact with one another that facilitates the spread of COVID-19;

Whereas, In order to protect the public health, welfare, and safety, prevent the transmission of novel coronavirus, control the spread of COVID-19, and save lives it is necessary to control and direct the movement of individuals in the County, including those on the public streets; and

Whereas, It is necessary to control and direct in the County the occupancy and use of buildings and premises, as well as places of amusement and assembly;

Whereas, On March 19, 2020, the local Health Officer, finding it necessary for the prevention and control of COVID-19, issued a Health Department Directive and Order for Social Distancing, Inspection of Premises and Closure of Business, and in so doing, consistent with then issued interim CDC guidelines and Order No. 20-03-19-01 issued by Governor of the State of Maryland, ordered that any mass gatherings and events, including but not limited to all social, community, spiritual, religious, recreational, leisure, and sporting gatherings and events, of more than 10 people are hereby prohibited; and

Whereas, On May 13, 2020, the Governor of the State of Maryland issued Order No. 20-05-13-01 lifting certain restrictions and permitting local jurisdictions and local health officers to extend restrictions based upon the need to contain the spread of COVID 19; and

Whereas, Order No. 20-05-13-01 authorizes political subdivisions such as Baltimore County to issue local orders that are more restrictive than Order No. 20-05-13-01, such as those requiring any businesses, organizations, establishments, or facilities to close or modify their operations and/or requiring individuals to remain indoors or to refrain from congregating, if deemed necessary and reasonable to save lives or prevent exposure to COVID-19; and

Whereas, There continues to be a significant outbreak of COVID-19 throughout Baltimore County, with a considerable amount of positive cases, hospitalizations and deaths; and

Whereas, Public health experts have indicated that relaxing social distancing requirements should be done only when a jurisdiction has sufficient testing capacity, access to personal protective equipment, and contact tracing capacity, as well as when data indicate declining transmission of the virus; and

Now, therefore, I, John A. Olszewski, Jr., County Executive of Baltimore County, Maryland, by virtue of the authority vested in me by Section 3-1-504 of the Baltimore County Code, and in an effort to continue to control and prevent the spread of COVID-19 within Baltimore County do hereby order that:
