

Coronavirus Updates

Last Updated: 04/16/2020 12:15 PM

*** In an effort to mitigate the spread of COVID-19, PLEASE USE TRANSIT FOR ESSENTIAL TRAVEL ONLY. Essential travel means taking trips to work, hospitals, health care providers, pharmacies, grocery stores, banks, food distribution centers, schools, to provide care for family members, and other similar destinations. By reducing unnecessary travel, transit becomes safer for those who depend on it, especially essential healthcare workers, and for those who operate it. MDOT MTA encourages all employers to consider telework options where possible ***

****IMPORTANT**** Effective April 18, 2020 at 7:00 a.m. to reduce the spread of COVID-19, all riders using public transit including local bus, light rail, metro subway, commuter bus, MARC Train and Mobility/paratransit service are **REQUIRED** to wear face coverings. Click here for information on how to make a face covering (<https://web.archive.org/web/20200417012806/https://s3.amazonaws.com/mta-website-staging/mta-website-staging/files/COVID19/DIY-cloth-face-covering-instructions.pdf>).

This action supports Governor Hogan's Executive Order number 20-04-15-01

(https://web.archive.org/web/20200417012806/https://s3.amazonaws.com/mta-website-staging/mta-website-staging/files/COVID19/Masks-and-Physical-Distancing-4_15_20.pdf).

MDOT MTA has proactively initiated an enhanced daily wipe-down of bus, rail, and paratransit vehicles to include disinfecting areas with high passenger touchpoints.

Service Status

MDOT MTA will implement service reductions on all vehicle modes effective Wednesday, March 18.

• ****NEW 4/13** Local Bus**

- Effective April 14, local bus service will operate on a base Saturday schedule Monday through Saturday with enhanced service on select routes to maintain access for essential workers and healthcare personnel to facilities including hospitals, food distribution sites and designated supply chain employers such as Amazon, FedEx and UPS. An additional 154 trips will augment those service schedules. For a complete list of supplemental service trips, click here (<https://web.archive.org/web/20200417012806/https://s3.amazonaws.com/mta-website-staging/mta-website-staging/files/COVID19/Supplemental%20Service%20Trippers.pdf>).
- Effective April 6, all nine Express BusLink routes (103, 104, 105, 115, 120, 150, 154, 160, 164) and LocalLink 38 and 92, which primarily serve schools that are now closed, are temporarily suspended.

then throw the tissue
in the trash.**

A stylized illustration of a person with dark hair, wearing a dark blue shirt, coughing into a white tissue. The person's eyes are closed, and their hand is holding the tissue to their mouth. The background is a solid dark blue. In the top left corner, there is a dark blue rectangular box containing white text.

Cover your cough or sneeze with a tissue, then throw the tissue in the trash

Wash your hands with soap and water for at least 20 seconds

More Ways to Protect Yourself and Others

The everyday preventive steps have proven effective at slowing the spread of respiratory illnesses like colds and flu:

- Wash your hands often with soap and warm water for at least 20 seconds
- Use an alcohol-based hand sanitizer with at least 60 percent alcohol if soap and water are not available
- Cover your coughs and sneezes with a tissue, your sleeve or your elbow
- Avoid touching your eyes, nose and mouth. Clean and disinfect frequently touched objects and surfaces using standard cleaning practices
- Avoid close contact with people who are sick
- If you are sick, stay home, except when seeking medical care
