Reduced service began Wednesday, March 25

As part of the ongoing, shared effort to limit the spread of COVID-19, Metro Transit began a reduced service schedule on Wednesday, March 25. This is to address a sharp decline in ridership and to focus our resources where they are most needed to provide critical travel during this crisis.

Read more about the changes on the Rider's Almanac blog and continue to watch [metrotransit.org/health](https://www.metrotransit.org/health) for the latest information.

Remember:

- Use transit for **essential travel only**
- Exit out the back door of buses
- Keep distance between you and others, especially the driver
- When boarding, if the bus or train does not have space to allow adequate social distancing, wait for the next one, if possible
- **Bus and light rail service is suspended nightly between 11 p.m. and 4:30 a.m.**
(METRO Blue Line airport shuttle between Terminal 1 and Terminal 2 stations continues to operate)
- Metro Transit Service Centers and Lost & Found are closed. Transit Information is available by phone (612-373-3333) and text (612-444-1161) Monday-Friday 6:30 a.m. – 9 p.m.; Customer Relations is available by phone (612-373-3333) and online Monday-Friday 8 a.m. – 4:30 p.m.

Commuter express routes will operate at a reduced level.

Local bus routes will follow SATURDAY schedules unless noted here.

Some routes will follow Saturday schedules with additional trips.

If your route does not have a schedule for Saturday service and is not listed here, it will not operate.
