

St. Louis County Department of Public Health
2019 Novel Coronavirus (“COVID-19”)
Amended Stay at Home Order

I. Background

The St. Louis County Department of Public Health (“DPH”) has been closely monitoring an outbreak of respiratory illness caused by COVID-19. Infections with COVID-19 have been reported around the world. The first confirmed instance of person-to-person spread of the virus in the United States was reported on January 30, 2020. The first confirmed instance of COVID-19 in St. Louis County was reported on March 7, 2020. A state of emergency was declared in St. Louis County on March 13, 2020, and several executive orders have been issued since authorizing the director of DPH to issue orders, policies, and other rules to implement those executive orders.

COVID-19 is considered an infectious, contagious, communicable, and dangerous disease for purposes of §§ 192.020-1, 192.139, & 193.300, RSMo., 19 CSR 20-20.020, and other state and local laws. The DPH’s director is the “local health authority” under 19 CSR 20-20.050(1) pursuant to 19 CSR 20-20.010(24), Section 4.130 of the Charter, and Section 600.010 SLCRO, and has been delegated the authority to act on St. Louis County’s behalf for the public health purposes described in § 193.300, RSMo.

Violating a public health order designed to “prevent the entrance of infectious, contagious, communicable or dangerous diseases” into St. Louis County is punishable as a misdemeanor pursuant to § 192.300, RSMo. Further, “[a]ny person . . . who shall leave any . . . quarantined house or place without the consent of the health officer having jurisdiction, or who evades or breaks quarantine or knowingly conceals a case of contagious, infectious, or communicable disease, or who removes, destroys, obstructs from view, or tears down any quarantine card, cloth or notice by the attending physician or by the health officer, or by direction of the proper health officer, shall be deemed guilty of a class A misdemeanor” pursuant to § 192.320, RSMo.
