that the streetcar is not essential during this time of decreased travel resulting from the State of Ohio's and the City's stay-at-home orders. the suspension will help to prevent nonessential gatherings of persons in confined spaces, an essential goal of the current emergency orders from both the Mayor of Cincinnati and the Governor and chief public health officer of the State of Ohio. The closure of the streetcar will protect the public from exposure to the COVID-19 virus which can survive on the metal and other surfaces that are routinely used by streetcar riders while riding on the streetcar. This order is based upon the existence of a condition of public danger or emergency, as established by the Mayor's Declaration of Emergency and shall continue in effect until withdrawn or superseded by future order.</MatterTitle>
