**DATE OF ORDER: JUNE 1, 2020**

Please read this Order carefully. Pursuant to §192.300 R.S.Mo. and §192.320 R.S.Mo., violation of or failure to comply with this Order is a class A misdemeanor punishable by fine, imprisonment, or both.

UNDER THE AUTHORITY GRANTED INDIVIDUALLY AND COLLECTIVELY BY THE RELEVANT PROVISIONS OF THE MISSOURI STATE CONSTITUTION, STATUTES, REGULATIONS, AS WELL AS BY RELEVANT PROVISIONS OF THE HOME RULE CHARTER OF JACKSON COUNTY AND COUNTY CODE PROVISIONS, INCLUDING, BUT NOT LIMITED TO: THE MISSOURI CODE OF STATE REGULATIONS, RULES OF DEPARTMENT OF HEALTH AND SENIOR SERVICES (19 CSR 20-20.020; 19 CSR 20-20.030; 19 CSR 20-20.040; 19 CSR 20-20.050) AND JACKSON COUNTY CODE CHAPTER 40, THE JACKSON COUNTY HEALTH DIRECTOR DOES HEREBY ORDER:

1. This Order announces the transition into Phase Two of the Eastern Jackson County Recovery Plan (the "Plan"). This announcement addresses the need for Eastern Jackson County to slowly reopen economically and societally, while continuing to acknowledge the seriousness of COVID-19 and require appropriate precautions to fight the virus and protect Jackson Countians. Thus, as of the effective date and time of this Order set forth below, all individuals, businesses, and government agencies in Jackson County, Missouri, excluding Kansas City, Missouri, are required to follow the provisions of this Order, otherwise known as the Eastern Jackson County Recovery Plan ("the Plan").
2. Phase Two of the Plan relaxes certain restrictions contained within Phase One, but still recommends some mitigation strategies for the community. Phase Two continues to provide guidance for businesses and entities that are now allowed to open.
3. While more information can be found in the Eastern Jackson County Recovery Plan, the following Criteria and Recommendations are contained within the Plan:
  - a) Criteria
    - i. Essential Business Operations continue as under the Stay at Home Order.
    - ii. Non-essential and commercial businesses which are not open to the public may re-open provided social distancing is followed and appropriate PPE is available.

iii. Unless otherwise noted in the attached document, or in this order, non-essential businesses that are frequented by the public can open provided they limit the number of individuals (staff and customers) in the building or room to 50 percent of the lowest occupancy load on the certificate of occupancy of the room or facility (whichever is lower) in which the gathering is occurring. This is only permissible as long as adequate social distancing (six feet) can be maintained. If social distancing cannot be maintained due to facility layout, the occupancy limit should be reduced.

1. The following categories of businesses, venues, and/or activities shall not re-open during Phase Two:

I. All public and private schools shall remain closed for in-person activity. This includes summer school learning opportunities.

1. Remote learning, to-go meals, and all related matters shall be allowed to continue

II. Playground Equipment

III. Fairs, Parades, and Festivals

iv. Gatherings: including, but not limited to, non-essential business activities, such as: religious services, weddings, funerals, lectures, meetings and performances (unless prohibited in Sec. 3.a above) may resume subject to the following requirements, but must adhere to the guidance found in the Recovery Plan:

1. Indoor venues: Occupancy shall not exceed fifty (50) *percent*.

2. Outdoor venues: Occupancy shall not exceed fifty (50) *people*. Employees will not be considered attendees, for the purposes of calculating capacity.

v. All essential and non-essential businesses that are open to the general public are required to complete and post a Social Distancing Protocol that is easily accessible to the staff and customers.

b) Recommendations

i. Staying at home remains the safest option.

ii. All persons (older than 2) should wear a mask when possible.

iii. All persons should practice social distancing and remain six (6) feet apart.

iv. Employers should allow for telework for as many workers as possible.

v. Employers should provide PPE if possible for workers who engage with the public and/or work in otherwise high-risk environments where social distancing is not feasible.

- vi. Continued testing to monitor disease prevalence and determine if a spike in new infections is occurring.
  - vii. Possibility that restrictions will need to be re-imposed if there is a large spike in new infections.
4. For information regarding restrictions on specific types of businesses and gatherings, as well as further general guidance for individuals, please refer to the Eastern Jackson County Recovery Plan. In the event there is a real or perceived inconsistency between this document and the aforementioned Recovery Plan, this document shall govern. See attached.
  5. Polling locations and their staff (paid and volunteer) shall be considered essential businesses and workers. To the maximum extent possible, we recommend that they follow social distancing guidelines promulgated by federal, state, and local health authorities.
  6. Pursuant to §192.300 R.S.Mo. and §192.320 R.S.Mo., the Health Director requests that the Sheriff, all chiefs of police, and Park Rangers in the County ensure compliance with and enforcement of this Order. The violation of any provision of this Order constitutes an imminent threat and menace to public health, constitutes a public nuisance, and is punishable by fine, imprisonment, or both.
  7. This Order shall be effective at 12:01 a.m. on June 1, 2020, and will continue to be in effect until it is extended, rescinded, superseded, or amended in writing by the Jackson County Health Director.
  8. Copies of this Order shall promptly be: (1) made available outside the Jackson County Courthouses at 415 E. 12th St., Kansas City, MO 64106 (Downtown Location) and 308 W.   9. If any provision of this Order to its application to any person or circumstance is held to be invalid, the remainder of the Order, including the application of such part or provision to other persons or circumstances, shall not be affected and shall continue in full force and effect. To this end, the provisions of this Order are severable.
