Governor DeWine has announced Ohio's casinos and racinos are permitted to reopen on June 19, provided they follow protocols for the health and safety of employees and guests. The facilities temporarily closed in early March following a directive from the Department of Health limiting large gatherings of people in response to COVID-19.

Specific health & safety protocols for Ohio's casinos and racinos can be found [here](#).

More information regarding COVID-19 can be found at www.coronavirus.ohio.gov or by calling the Ohio Department of Health's call center at 1-833-4-ASK-ODH (1-833-427-5634)
