Update: September 13, 2024

The COVID-19 vaccine clinic that takes place on Tuesdays at the Shaw's Center is ON HIATUS until the City receives more doses of the vaccine.

COVID and Flu are ON THE RISE IN BROCKTON. If you have not already done so, please consider getting the vaccines for both viruses. As of December 2023, the Center for Disease Control (CDC) issued a Health Advisory indicating an urgent need to increase vaccination rates to stop the spread.

[\(https://brockton.gov/\)](https://brockton.gov/)

The Brockton Board of Health is currently offering free COVID-19 vaccines every Tuesday from 1 to 4 PM at the Shaw's Center located at 1 Feinberg Way Brockton MA 02301.

To lower your chances of developing a respiratory illness, including COVID, be advised that in addition to vaccination you continue to observe Standard Precaution measures such as:

[NEWS \(/NEWS/\)](#) [EVENTS \(/EVENTS/\)](#)

1. Observe appropriate coughing/sneezing etiquettes. Sneeze into your elbow or into a tissue to minimize the spread of germs. Wash hands after touching your nose or mouth.
2. Frequent hand washing with soap under running water or hand sanitization with alcohol based hand sanitizer.
3. Use appropriate face (mouth and nose) masks, especially if you have a respiratory illness, are attending to a likely immuno-compromised person or in a crowded indoor event.
4. Consider self testing for COVID-19 if you feel unwell and have any respiratory symptoms

[\(https://brockton.gov/\)](https://brockton.gov/)

Remember, both the flu and COVID vaccines have been updated in the fall of 2023 to target newer strains of these viruses. Therefore, if your last COVID vaccine was before September 1, 2023, there is a new one available for the current variant.

THE CITY OF BROCKTON ENCOURAGES EVERYONE TO GET A FLU AND A COVID VACCINE. You may either call your Primary Care Physician or find vaccine locations at www.vaxassist.com (<http://www.vaxassist.com/>).

The federal government has ended its free COVID-19 home test kit program. COVID-19 home test kits can be purchased at pharmacies such as Walgreens, CVS and other retailers.

For more information about COVID-19, call 508-580-7123 and ask to speak with a community health worker or public health nurse.

INFLUENZA AND COVID-19 ALERT December 15, 2023

COVID and Flu are ON THE RISE IN BROCKTON. If you have not already done so, please consider getting the vaccines for both viruses. The Center for Disease Control (CDC) has issued a Health Advisory indicating an urgent need to increase vaccination rates to stop the spread.

Remember, both the flu and COVID vaccines have been updated in the fall of 2023 to target newer strains of these viruses. Therefore, if your last COVID vaccine was before September 1, 2023, there is a new one available for the current variant.

On March 14, 2020, four years ago today, the first case of Covid in the City of Brockton was identified in a 33 yo woman. Although 40,433 cases have been logged into the Commonwealth's tracking network, it is likely that more than 95% of Brockton residents have had Covid, at least once. Sadly, 544 Brockton residents, mostly seniors, died. Covid is not gone, it will be with us for a long time, but the severity of illness has diminished greatly with far fewer hospitalizations, ICU admissions, and deaths. This will close the book on the weekly dashboard which will serve as an historical record of the first pandemic of the 21st century.

Businesses open past 9:30pm

[ONLINE SERVICES \(/ONLINE-SERVICES/\)](#)

Effective January 25th at 5:00 AM, the Baker-Polito Administration has announced that businesses that are currently open under Reopening Plan Phase 3, Step 1 can now stay open past 9:30 PM. Capacity limits remain the same. This guidance will be reevaluated on February 8th. <https://www.linkedin.com/company/city-of-brockton>

January 7th, 2021

Massachusetts to remain in Phase 3, Step 1

The Baker- Polito Administration announced today that Massachusetts will remain in Reopening Phase 3, Step 1 with special capacity limits until at least January 24th. This change represents a two week extension of the December 26th order. For a description of current guidelines and limits, please read below.

Current State Guidance:

Effective December 26th, The Commonwealth of Massachusetts ordered all gatherings to limit the number of people in attendance to 10 for indoor gatherings and 25 for outdoor gatherings. They additionally ordered that most businesses reduce indoor capacity to 25%. This includes indoor restaurant seating, retail businesses, and offices. For sector-specific guidance, please visit: <https://www.mass.gov/.../temporary-capacity-and-gathering...> (<https://www.mass.gov/.../temporary-capacity-and-gathering...>). These restrictions will remain in effect until January 24, 2021.

January 4, 2021

December 14 Order Lifted:

On Wednesday, January 6th, at 11:59 PM, the City of Brockton Executive Order dated December 14th will be lifted. This means that the City will follow all Massachusetts reopening guidelines on COVID-19. While spaces like gyms, museums, and recreation facilities can reopen, they cannot exceed 25% indoor capacity.

Current State Guidance:

Effective December 26th, The Commonwealth of Massachusetts ordered all gatherings to limit the number of people in attendance to 10 for indoor gatherings and 25 for outdoor gatherings. They additionally ordered that most businesses reduce indoor capacity to 25%. This includes indoor restaurant seating, retail businesses, and offices. For sector-specific guidance, please visit: <https://www.mass.gov/info-details/temporary-capacity-and-gathering-limits> (<https://www.mass.gov/info-details/temporary-capacity-and-gathering-limits>). These restrictions will remain in effect until January 10, 2021.

Attention Brockton Small Businesses: Grant Assistance Available for Small Business Owners Impacted by COVID-19, Applications Open December 31st

The Sector-Specific Relief Grant Program for Massachusetts Businesses will open on December 31st for grant applications

from small businesses suffering from COVID-19 related losses. Small businesses can apply to receive grants up to \$75,000, but awards may not exceed more than three months of operating expenses. \$668 Million in funds have been allocated to small business relief in Massachusetts from the federal government and from the Commonwealth's own reserves.

(<https://brockton.gov/>)

The first round of grant funding will be dispersed to businesses that have already applied for support. Applications open on December 31st, 2020 at noon for the next funding cycle. Applications will close on January 15th, 2021 at 11:59 PM. The Massachusetts Growth Capital Corporation will be responsible for accepting the grant applications.

The grant application, instructions, and business eligibility requirements can be found

at: <https://www.empoweringbusiness.org/covid-19-response/sector-specific-relief-grant-program-massachusetts-businesses>

Baker-Polito Administration Announce Additional Restrictions:

Yesterday, the Baker-Polito Administration announced additional restrictions to address the COVID-19 surge. Effective December 26th, The Commonwealth of Massachusetts ordered all gatherings to limit the number of people in attendance to 10 for indoor gatherings and 25 for outdoor gatherings. They additionally ordered that most businesses reduce indoor capacity to 25%. This includes indoor restaurant seating, retail businesses, and offices. [This page on Mass.gov provides sector-specific guidance](https://www.mass.gov/info-details/temporary-capacity-and-gathering-limits) (<https://www.mass.gov/info-details/temporary-capacity-and-gathering-limits>). These restrictions will remain in effect until January 10, 2021.

Today, the Baker-Polito Administration announced that \$668 Million in small business relief funds have been allocated to Massachusetts from the federal government. Grants of \$75,000 have been made available to small businesses. The first round of grant funding will be dispersed to businesses that have already applied for support. Applications will reopen on December 31st, 2020 for the next funding cycle. For more information or to watch the full announcements, please visit: <https://www.mass.gov/governor-updates> (<https://www.mass.gov/governor-updates>).

December 14, 2020

Brockton returns to Phase Two, Step Two Restrictions:

Out of an abundance of caution, Mayor Robert F. Sullivan has issued an Executive Order dated December 14, 2020 that will return the City of Brockton to Phase Two, Step Two guidance on Wednesday, December 16, 2020 for a three week period.

This change in reopening guidance will necessitate the closure of indoor gyms, museums, event spaces, theaters, arcades, and recreational facilities. The decision to step back to Phase 2.2 was made in accordance with numerous conversations with other Mayors throughout the Commonwealth and guidance from the Centers for Disease Control and the Massachusetts Department of Public Health. Several other cities in Massachusetts are rolling back to Phase 2.2 in light of the surge in COVID-19 cases across the Commonwealth.

Closures include:

- Indoor fitness centers and health clubs, including gyms using alternative spaces (one-on-one personal training sessions are allowed)
- Movie theaters
- Museums
- Aquariums
- Indoor recreational and athletic facilities (except for youth 18 and under). This does not apply to collegiate or professional sports. Collegiate sports teams in the City of Brockton may continue to use indoor recreational facilities and fitness

centers.

- Indoor pools may remain open for all ages under pre-registration format structure limited to one person per swim lane.
- Indoor recreational venues with potential for low-contact (battering cases, driving ranges, bowling alleys, rock-climbing)
- Sightseeing and other organized tours (<https://brockton.gov/>)
- Indoor historical spaces & sites
- Indoor event spaces (meeting rooms, ballrooms, private party rooms, social clubs)
- Private social clubs may continue to operate, if they serve food, consistent with restaurant guidance.

For full details please visit the Commonwealth's COVID-19 Reopening Information page:

<https://www.mass.gov/info-details/reopening-massachusetts> (<https://www.mass.gov/info-details/reopening-massachusetts>)

City buildings will also be closed to the public starting on December 7, 2020. The public will still be able to access City buildings by appointment. Further details on the closures can be found here (<https://brockton.gov/news/executive-order-from-the-mayor-of-brockton/>) (<https://brockton.gov/>)

August 21, 2020

City Curfew Announced

Due to Brockton's designation as a "higher risk" community, effective tomorrow Saturday August 22, Mayor Robert F. Sullivan has ordered a Citywide curfew for all residents and visitors between the hours of 11 pm and 5 am with exceptions for essential travel.

He is also closing the [Harold D. Bent Playground at Ash Street Park](https://goo.gl/maps/NwbXx8ZakENshDWg7) (<https://goo.gl/maps/NwbXx8ZakENshDWg7>); the [James Edgar Playground](https://goo.gl/maps/kwS1M3eCQPkQanCw7) (<https://goo.gl/maps/kwS1M3eCQPkQanCw7>); and the [Nelson Playground \(South Middle School\)](https://goo.gl/maps/2p8DAXKD1AaLxfGq5) (<https://goo.gl/maps/2p8DAXKD1AaLxfGq5>) from the hours of 4 p.m. to 6 a.m.

Mayor Sullivan has also created a City COVID-19 Enforcement team of public health and public safety officials to combat the spread of COVID-19 and alert individuals as to the urgency of health and safety precautions and has issued protocols for fines for violations of city and state orders.

 A copy of the Executive Order can be found here (<https://brockton.gov/wp-content/uploads/2020/08/Executive-Order-from-the-Mayor-of-Brockton-August-21-2020.pdf>), and details of  the City's COVID-19 Enforcement Team can be found here (<https://brockton.gov/wp-content/uploads/2020/08/Mayor-and-BOH-monitor-impacts-of-COVID-19.pdf>).

Reopening

Pursuant to the Governor's June 2, 2020 Order No. 35, the City of Brockton is accepting applications for the temporary extension of restaurants to provide for outdoor table service.

Once reviewed and approved by the City's Outdoor Dining Advisory Board, which is made up of representatives from the City's planning, public safety and judicial departments, restaurants will be able to offer expanded outdoor dining options under Phase II of the Commonwealth's reopening plan. This expedited application process will significantly decrease the timeframe for extending existing restaurants into outdoor spaces.
