Whereas, A state of emergency and catastrophic health emergency was proclaimed on March 5, 2020 by the Governor of the State of Maryland and renewed on March 17, 2020, April 10, 2020, May 6, 2020 and June 3, 2020;

Whereas, A state of emergency was declared on March 13, 2020 by the County Executive of Baltimore County, Maryland and renewed on March 16, 2020, April 14, 2020 and May 21, 2020 to control and prevent the spread of COVID-19 within Baltimore County, and the state of emergency and catastrophic health emergency still exists;

Whereas, COVID-19, an infectious and contagious respiratory disease that spreads easily from person to person and may result in serious illness or death, is a public health catastrophe;

Whereas, The U.S. Centers for Disease Control and Prevention has advised employers, such as Baltimore County, Maryland, to prepare for increased employee absence and possible alternative working arrangements (such as teleworking) in response to an outbreak of COVID-19;

Whereas, Pursuant to Baltimore County Code, §3-1-504, the County Executive hereby has all authority necessary to protect the health, safety, and welfare of persons within the County to control the spread of COVID-19 including, but not limited to, the right to control traffic, including public and private transportation, designate zones in which the occupancy and use of buildings and vehicles may be controlled; establish requirements to shelter in place, control the sale, transportation, and use of alcoholic beverages, control individuals on public streets, and control places of amusement and places of assembly;

Whereas, Increased employee absence and alternative working arrangement within Baltimore County's workforce may impact the County's ability to timely process renewals of expiring permits, licenses, registrations, and other governmental authorizations;

Whereas, The outbreak of COVID-19 may significantly disrupt access to or the operations of one or more of Baltimore County's Boards, Commissions and/or Committees;

Whereas, The U.S. Centers for Disease Control and Prevention and the Maryland Department of Health recommend social distancing to reduce the spread of COVID-19;

Whereas, Renewal of expiring permits, licenses, registrations, and other governmental authorizations to enter public buildings and interact with County employees and other persons, which may be contrary to prudent social distancing;

Whereas, The conducting of public business by County boards, committees and commissions often require members of those boards, committees and commissions as well, as members of the public, to enter public buildings and interact with County employees and other persons, which may be contrary to prudent social distancing;

Whereas, To reduce the threat to human health caused by the transmission of COVID-19, and to protect and save lives, it is necessary and reasonable that permits, licenses, registration, and other governmental authorizations be extended until after the state of emergency has ended;

Whereas, To the extent possible, County boards, commissions and committees have remained operational and provided scheduled and required events while seeking to balance the health and safety needs of County personnel, members of the boards, commissions and committees, and the public;

Whereas, To reduce the threat to human health caused by the transmission of COVID-19, it is necessary to prohibit the public from attending, in-person, all hearings of County boards, commissions and committees deemed necessary for essential government business so as to exercise prudent social distancing, but to provide alternative means for public to have the best possible opportunity to observe essential government business of County boards, commissions and/or committees;

Whereas, Nothing herein shall be construed to limit or conflict with any order or authority of the local Health Officer;

Whereas, On June 3, 2020, the Governor of the State of Maryland issued Order No. 20-06-03-01 further lifting certain restrictions related to gatherings, business organizations, establishments and facilities in accordance with Phase 2 of the Plan, while continuing to permit local jurisdictions and local health officers to extend restrictions based upon the need to contain the spread of COVID-19; and

Whereas, On June 19, 2020, the Governor of the State of Maryland issued Order No. 20-06-19-01 further extending certain licenses, permits, registrations and other governmental authorizations and authorizing suspension of legal time requirements; and

Whereas, The County desires to support local business organizations, establishments and facilities and assist them in increasing revenues and employment opportunities which will help stimulate the economy, and the County desires to support workers by ensuring the availability of safe employment opportunities;

Now, therefore, I, John A. Olszewski, Jr., County Executive of Baltimore County, Maryland, by virtue of the authority vested in me by Section 3-1-504 of the Baltimore County Code, and in an effort to continue to control and prevent the spread of COVID-19 within Baltimore County do hereby order that:

1. Except as herein otherwise provided, and except as modified by any local guidance issued by Baltimore County, all provisions of Governor Lawrence J.
