Central District Board of Health lifts public health order for Ada County, mask order for Valley County

by [Trent Young](#) on February 19, 2021

Revised Public Health Advisory emphasizes need for continued COVID-19 health and safety measures in Ada, Boise, Elmore, and Valley Counties

Ada County, ID — At their regular business meeting today, February 19, 2021, the Central District Board of Health voted unanimously to lift the public health order for Ada County and the mask order in Valley County – both have been in place since last summer. Today's decision to lift the two orders was prompted by a steady decline in case counts in recent weeks and reduced impacts on hospitals across Central District Health's (CDH) jurisdiction of Ada, Boise, Elmore, and Valley Counties, when compared to previous months. [Read More.](#)

[Public Health Advisory](#)

 As of July 1, 2025, Idaho law requires CDH to verify the lawful presence of those applying for public benefits through our agency. [Learn More](#)
