

RTD continues to operate at reduced COVID-19 service levels.
Effective June 13, 2021, capacity restrictions have been lifted. Per Federal mandate, masks are still required while riding or waiting on RTD vehicles.

 Capacity Full

RTD lifts capacity limits on its vehicles as service changes take effect Sunday

The service adjustments support modest increases in ridership, improve on-time performance and increase service reliability. With this set of changes, RTD will also lift vehicle capacity limits that have been in place throughout the pandemic, a move that aligns service levels with available staff resources and helps RTD prepare for additional increases in ridership with summer events and more people returning to the office. To review the service changes, [visit RTD's website](#).

Don't lose that mask: Face coverings remain required on transit through Sept. 13
