Visitation

March 13, 2020

In accordance with Governor Abbott's declaration, effective March 13, 2020, the TDCJ will be temporarily suspending visitation at all our facilities (statewide) until further notice. While we understand the value and significance of the visitation process at our facilities, we also understand the importance of providing and maintaining a safe and healthy environment for all involved. For continued updates, please refer to our agency website.
