Public Health Orders to Remain in Place

Wyoming's statewide COVID-19 public health orders will remain in place through the end of the month, according to the Wyoming Department of Health (WDH).

Mask use and physical distancing requirements related to educational institutions remain. Indoor events of more than 500 people may be held at 50 percent of venue capacity with specific mask protocols for large indoor events.

WDH recommends masks in indoor public places for people who aren't fully vaccinated when common-sense physical distancing cannot be maintained among those who don't live in the same household.

The updated orders, which go into effect May 17 and remain through May 31, can be found online at <https://health.wyo.gov/publichealth/infectious-disease-epidemiology-unit/disease/novel-coronavirus/covid-19-orders-and-guidance/>.
