Masks Required on the School Bus

Masks Required on the School Bus for Health and Safety Reasons

Posted on 08/09/2021

 This is the image for the news article titled Masks Required on the School Bus for Health and Safety Reasons. During these unprecedented times and with the rise of COVID Coronavirus variants in Clayton County, the leadership of Clayton County Public Schools (CCPS) is strongly emphasizing that the health and the safety of our students and their families, our bus drivers and monitors, and our staff are our first priority. That is why there is an expectation that students wear a mask when riding a school bus to and from school. Please see the attached Advisory for more information.
