COVID-19 EXECUTIVE ORDER NO. 83

June 25, 2021

WHEREAS, since early March 2020, Illinois has faced a pandemic that has caused extraordinary sickness and loss of life, infecting over 1,390,000, and taking the lives of more than 23,100 residents; and,

WHEREAS, as Illinois continues to respond to the public health disaster caused by Coronavirus Disease 2019 (COVID-19), a novel severe acute respiratory illness that spreads rapidly through respiratory transmissions, the burden on residents, healthcare providers, first responders, and governments throughout the State has been unprecedented; and,

WHEREAS, protecting the health and safety of Illinoisans is among the most important functions of State government; and,

WHEREAS, social distancing, face coverings, and other public health precautions have proven to be critical in slowing and stopping the spread of COVID-19; and,

WHEREAS, public health guidance advises that minimizing physical interactions between people who are not fully vaccinated and who do not reside in the same household is critical to slowing the spread of COVID-19; and,

WHEREAS, the CDC continues to advise that cloth face coverings or masks protect persons who are not fully vaccinated from COVID-19; and,

WHEREAS, the CDC advises that schools continue to use the COVID-19 prevention strategies outlined in the CDC's Operational Strategy for K-12 Schools for at least the remainder of the 2020-2021 academic school year; and,

WHEREAS, the CDC continues to advise that day care providers use COVID-19 prevention strategies, including masking and physical distancing, even after day care providers and their staff are vaccinated; and,

WHEREAS, as COVID-19 has spread in Illinois over the course of the Gubernatorial Disaster Proclamations, the circumstances causing a disaster throughout the State have changed and continue to change, making definitive predictions of the course the virus will take over the coming months extremely difficult; and,

WHEREAS, in addition to causing the tragic loss of more than 23,100 Illinoisans and negatively impacting the physical health of tens of thousands more, COVID-19 has caused extensive economic loss and continues to threaten the financial welfare of a significant number of individuals and businesses across the nation and the State; and,

WHEREAS, many executive agencies in the State continue to focus their limited resources on the ongoing response to the COVID-19 pandemic; and,

WHEREAS, the COVID-19 pandemic has required the Illinois Department of Agriculture (IDOA) to address the outbreak's impact on the State's food supply chain through regulation and oversight of meat and poultry facilities and livestock management facilities; and,

WHEREAS, the COVID-19 pandemic's disruption to the livestock market has required IDOA to concentrate its resources on working with livestock owners and producers in addressing safe and environmental animal disposal concerns through its oversight and regulation of the Dead Animal Disposal Act; and,

WHEREAS, IDOA regulates and investigates many other industries that have been directly impacted by the COVID-19 pandemic including, but not limited to, pesticide applicators, animal shelters, pet shops, and gas stations, and the continued, proper regulation of these industries requires IDOA to commit additional time and resources into creating new procedures for conducting remote investigations and trainings; and,

WHEREAS, the COVID-19 pandemic's detrimental impact to IDOA's regulated industries has required IDOA to place additional time and resources into organizing and managing the timely implementation of the Business Interruption Grant Program; and,

WHEREAS, on June 25, 2021, considering the expected continuing spread of COVID-19 and the ongoing health and economic impacts that that will be felt over the coming month by people across the State, I declared all counties in the State of Illinois as a disaster area; and,
