Public Health Order

There are currently no Salt Lake County public health orders in effect.

Note that there may be [statewide public health orders from the Utah Department of Health](#) in place.

Previous Public Health Orders

- [August 11, 2021: Public Health Order 2021-2 \(en Español\)](#)
 - requires students attending kindergarten through grade 6 at a public, charter, or private school in Salt Lake County to wear a face covering that completely covers the nose and mouth when in any indoor area of the premises, on school-provided transportation, or attending an indoor school-sponsored activity, with some exceptions.
- [October 26: Public Health Order 2020-15](#)
 - aligns with the State of Utah's recent order(s) by removing reference to the state's old "phased guidelines" system and instead references the state's new "Transmission Index" system.
