Please call the [immigration court](#) handling your case if you need clarification regarding your hearing date and time. Following the issuance of a new hearing notice, such information will be updated. As always, court documents such as notices are your official source of information.

Alternative Filing Location

EOIR designates an alternate filing location for the purpose of filing emergency motions (such as emergency stay requests) in the event of a temporary court closure due to severe weather conditions, protests, building maintenance issues and other exigent circumstances. The alternate filing location is for emergency filings only. The closure message and alternate filing location are disseminated to stakeholders and the public, and are posted on EOIR's X and Facebook accounts. If a filing is due on the day of a court closure, the filing deadline is extended to the next business day that the court is open.
