NASBA, AICPA and Prometric Invoke Emergency Testing Period

SHARE:

In anticipation of the reopening of Prometric test centers and in response to the COVID-19 situation, NASBA, AICPA and Prometric have made the decision to invoke an emergency testing period. We understand candidates are concerned about their testing options and, therefore, we are implementing this emergency testing period to provide additional testing opportunities. As part of this procedure, the 20Q2 testing window will be extended from June 10, 2020, to June 30, 2020.

As previously noted, NASBA will extend all NTSs expiring between April 1 – June 30, 2020, until September 30, 2020, and Prometric will waive all rescheduling fees.
