COVID-19 Update: PortMiami continues to work closely with its partners

MIAMI (March 18, 2020) — The Office of the Mayor, in conjunction with local, state and federal agencies, is coordinating all coronavirus (COVID-19) efforts throughout Miami-Dade County. The PortMiami team continues to work with its partners to safeguard the port team, port users, and the Miami-Dade community.

On the cargo side, Port users are encouraged to contact the terminals directly for hours of operations: [Seaboard Marine](#), [South Florida Container Terminal](#), and [Port of Miami Terminal Operating Company](#).

On the cruise side, the lines have voluntarily ceased sailings for at least 30 days. Miami-Dade County has agreed to waive all lay berth fees for those cruise ships home-ported alongside effective Friday March 13th. See the announcement [here](#).
